**ARMSTRONG
MIRACLE TIRES**
GUARANTEED 24 MONTHS AGAINST ALL ROAD HAZARDS
This "OUNCE OF PREVENTION" can save your life!

With ordinary tires, when you put on your brakes, tread ribs of your tires tend to compress into a smooth, slippery surface. That's because the ribs squeeze together under pressure—like the edges of your fingers when you make a fist. Tread loses its vital grip on the road... and you skid!

With life-saving Armstrong Tires, when you put on your brakes, the tread can't compress! Can't squeeze together—can't lose its grip! "Ounce of prevention" discs between ribs keep gripping edges apart—like your fingers when you put rubber discs between them. You don't skid!

BE SAFE!
Don't buy 2nd or 3rd line "price" tires. Insist on 100% level 1st line—original equipment type tires or better.
DON'T TAKE CHANCES ON YOUR LIFE!

ALSO SAVE ON ARMSTRONG FIRST LINE TIRES
Top quality, 100% level. These are the same grade tires that came on your new car. Guaranteed 18 months against all road hazards.
