Girls Entertain Mothers At Tea

Karen Slate acted as mistress of ceremonies last week when Coquille high school girls entertained their mothers at the annual Girls' League Mothers' Tea.

Lavendar was the predominating color of the decorations, which is usually associated with mothers, and an old-time schoolroom scene carried out the "Memories" theme.

Individual hot house rose buds were given by the girls to their mothers and friends as they entered the auditorium as a memento of the occasion.

Girls' League president, Sharon Sapp, opened the program with a welcome speech to the Mothers. Mrs. Edna Anderson gave the response for the mothers.

Pat Harsh sang "Memories" and "In the Garden of Tomorrow" accompanied by Linda Talley at the piano. Next on the program was the girls' sextette singing "Tea for Two" and "Pagan Love Song." Then a comedy skit was presented by Beverly Mark, June Smith, Janet Swinney and Barbara Swindall. Ending the program was a style show under the direction of Mrs. Helen Hollensted.

Commentator for the style show which featured clothes made by home economics students, was Hester Wolgamott. An added attraction was selections of styles worn in the roaring twenties modeled by some of the girls.

Homemade cookies and punch were served to those present during the presentation of the style show.
