Robert Shaw Chorale Slated For Coos Bay Next Thursday

Opening the 1954-55 season of the Coos County Community Concert Association will be the Robert Shaw Chorale, at the Marshfield High School Auditorium in Coos Bay Thursday evening, Oct. 28, at 8:15 o'clock. This group of thirty singers is familiar to thousands through previous concert tours, repeated appearances with such top-flight symphony orchestras as the NBC Symphony under Arturo Toscanini, as well as the long list of recordings they have made for RCA Victor. For Victor, the Shaw Chorale has recorded almost everything from sacred works to Christmas carols, art songs, operatic recordings, hymns and standard "pops." Their programs are equally as varied, the only requirement being that the music is good.

New FORD THUNDERBIRD

A personal car of distinction ...with Trigger-Torque performance

Something totally fresh is here—a bewitching new all-steel beauty that sets the styling keynote for other Ford cars to come.

But, styling gives the inmost hint of what the Thunderbird has to offer. In traffic and on the open road the Thunderbird's Trigger-Torque performance is literally a revelation. Here is hair-trigger response... fleet, liquid agility... backed by a reserve of swift, sure power to meet safety's every demand. Trigger-Torque performance stems from Ford's new Thunderbird Special V-8—a high-torque engine with 4-barrel carburetor, dual exhausts, wide-opening valves and Ford's famous low-friction design. And you can have the Thunderbird with the transmission of your choice—Conventional, Overdrive, or new Speed-Trigger Fordomatic.

Ford's Ball-Joint Front Suspension not only velvet-cushions your ride, it also allows the Thunderbird to handle with utmost ease—to corner with greatest stability.

But, more important, the Thunderbird is the product of the same advanced engineering... the same manufacturing skills that have made Ford products so dependable, so value-full and so desirable to so many.

You'll be delighted at the wealth of conveniences the Thunderbird offers. Two tops are available—a disappearing fabric top... and an easy-to-lift-as-hard-top. The extra-wide vinyl upholstered seat is foam-rubber-cushioned... power-operated 4 ways. Windows roll up... by power, if you like. There is a tachometer... and a clock with a sweep second hand. There is a telescoping steering wheel. And you can have power steering and power brakes.
