

Film Slated at Emmanuel Baptist Church

A colored moving picture which gives an outstanding account of modern Korea will be shown Wednesday, October 27, 8:00 p. m. at the Emmanuel Baptist church, 346 N. Baxter of which Rev. George E. Horton is the pastor.

The picture, entitled "They Wait for Peace," was filmed during the closing days of the Korean conflict. The horrors of the war and the wreckage it has left in its wake are vividly presented.

This film is presented by the Film Department of the Bible Institute of Los Angeles, an institution which trains Christian workers. Founded more than 45 years ago, the school has graduates serving in all mission fields of the world.

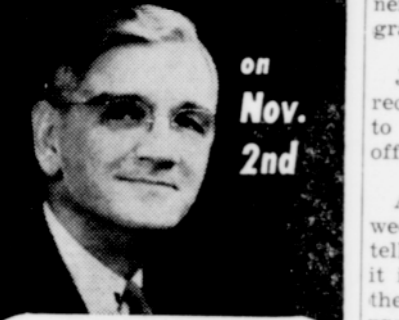

Mr. and Mrs. Ralph Taylor left this morning for Nampa, Idaho, where they will spend a week visiting with Mr. and Mrs. Drew Cunningham, former Coquille residents. The men plan to make several trips to Vale, Ore. and vicinity to hunt pheasants.

L. M. Orchard of Eugene, owner of Orchard Auto Parts and Dr. Addison Atwater, also of Eugene, spent Thursday, Friday, Saturday, Sunday and Monday fishing at the Rogue and Coquille Rivers. Dr. Atwater caught two fine silvers.

WE SALUTE 4H CLUB

Leaders' Association meets tonight, October 21 at 8:00 p. m. in the extension conference room. We hope that all leaders and those interested in becoming leaders will attend the meeting.

Plans are progressing nicely for the Annual 4-H Leaders' Banquet to be held on November 13. We hope you will mark that date on your calendar.

Four-H club girls will again serve and prepare the meal. Mrs. Winnifred Gillen, State Agent, 4-H Club Work will be the main speaker.

While in Corvallis last week, I heard some interesting news about one of our Coos County 4-H Club girls now attending Oregon State College. It seems that every girl taking Home Economics at OSC must take a clothing placement test. This girl who was an outstanding clothing club member in our county placed highest of all the freshman girls taking the test. She made only 18 errors out of 179 possible. The girl? Why it's Barbara Hornung of North Bend. We sure can all be proud of Barbara for this fine showing she made on this test.

I was in Corvallis for the judging of 4-H National Awards. One of our Coos county entrants, The Poor Man's Rembrandts a textile painting club led by Miss Louise Palmer, Broadbent, placed in the blue award group of clubs carrying out a club recreation and rural arts program. The club will receive \$20 towards the purchase of recreational equipment for the community or county.

We had some other club members right in the top circle. We are confident that next year we will have some Chicago trip winners in this National Awards program.

Just a week and a half to get record books in. Let's all be sure to get them in to the extension office on time this year.

And now for our project of the week. This week I would like to tell you about Sew. It's fun, yes it is fun and that is the title of the interesting second 4-H clothing project. In the "Sew, It's Fun" project you will have an opportunity to work on the sewing machine for the first time. A head scarf is one of the first interesting things girls in this project will make. Then too, here's a chance to draw a practical pot holder and a drawing apron. Making these things is just a small part of the project though, because you will also learn how to walk and stand gracefully, and to do things for others. This last part is a real chance for you to entertain

Mother, repair toys for baby brother, and to make a child's book.

Another interesting project for boys and girls is the Oregon 4-H Rabbit project. Many boys and girls in town or country have rabbits in their yard.

Rabbits do not cost a great deal of money to get started. They are a very practical project for the small farm or backyard, and can be a source of spending or saving money.

One doe is the minimum number of animals necessary to start a rabbit project. Most club members will want more than one as rabbits are really fun to raise.

These two projects are but a few of the many 4-H projects available in Coos county. For complete information, contact the county extension office in Coquille. 4-H club work is free.

Mr. and Mrs. Abner Johnson went to Corvallis last weekend to visit their son, Jim who is a student at Oregon State college.

Christian Church Scene For Wedding Of Coos Bay Couple

Alice V. Standley and Manuel S. Bettencourt of Coos Bay exchanged vows October 10 at an impressive ceremony performed at the Coquille First Christian church. The Rev. Walter Naff was the officiating minister.

Given in marriage by her son, Orton Standley, the bride wore a dusty rose lace dress with a white orchid corsage.

Honor attendants were Mr. and Mrs. J. W. Ruble of Coquille. Preceding the ceremony, Mrs. Cliff Ingram sang "Because" and "I Love You Truly."

Following the wedding, a reception was held in the church parlors. Serving the cake and punch were the bride's daughters, Mrs. Wendell Miller and Mrs. Joe Cook. Mrs. Albert Sandine poured and Mrs. Dewey Byers had charge of the guest book. Assisting were Mesdames Orton Standley, Roy Hultin and J. H. Van Auken.

After November 7, Mr. and Mrs. Bettencourt will be at home at Bar View.

The bride was the incentive for several lovely showers the week preceding her wedding.

Pollyanna Club Meets Recently With Helen Mast

Mrs. Helen Mast entertained members of the Pollyanna club when they met recently at her home. Co-hostesses were Mildred King and Emma King.

During the business session, the members voted to change the date of the club bazaar from October 23 to November 20. Winner of a hostess prize was Ruth Clark.

Attending the meeting were Martha Olford, Josie Mast, Eloma Kasper, Priscilla Mast, Ruth Clark, Gladys Pointer, Marie Churchill, Martha McCarthy and the hostesses.
