CIRCUIT COURT

A. L. Powrie has filed a suit in equity to enjoin trespass against Vernon Stout and Vern Taylor seeking judgment against each of them in the sum of \$1,000 for damages to property owned by the plaintiff and that the defendants, their agents, employees and all persons claiming by or under them be restrained from entering into or upon said property or in any manner interfering with Plaintiff's use and possession thereof.

Industrial Steel and Supply Company, an Oregon corporation, has filed a complaint against James L. Baker, dba Baker Paving Company seeking payment of certain materials, equipment and supplies furnished to the defendant by the plaintiff.

Thomas Keane has filed a complaint against James H. Landers and Ben Taylor seeking payment for damages to the plaintiff's automobile which was involved in a collision with the vehicle driven by the defendant on or about April 24, 1954.

Mildred M. Crump has filed a complaint against Glenn Cox and Eloise Cox, dba Fran's Tavern seeking judgment against each of them in the sum of \$15,000 general damages for injuries received when the plaintiff fell while entering the defendant's tavern on or about June 13, 1954. The plaintiff alleges that the entrance way to the tavern was muddy which caused her to slip and fall.

Archie R. Kelsey has filed a complaint against the State Industrial Accident Commission of the State of Oregon seeking that a jury be impaneled and sworn to try his former cause and that his claim be referred and remanded back to the defendant commission and that said defendant be ordered to cancel and set aside its orders of June 2, 1954 and September 21, 1954 and to accept plaintiff's claim and award him such medical treatment as his condition warranted and compensation for temporary total disability. The plaintiff was injured on or about January 15, 1954 while working for Leroy Rice, dba Park Grove Court as a maintenance and general handyman.

He entered the Army in April 1953 and arrived overseas last November.

GETS DEER LAST WEEK

Gordon Hanscom went hunting last week and instead of having a long drive back from Eastern Oregon, he had only to drive from Beaver Hill. He brought back a

big deer that dressed out 140 pounds.

UNDERGOES SURGERY

Mrs. Clara Krantz of Coquille underwent surgery Tuesday at the Keizer hospital.

"7" WON'T WORK here's why

- ★ Interferes with Oregon's program to conserve and maintain the salmon resource.
- ★ Would idle more than 1800 fishermen and \$11,680,000 equipment.
- ★ Closes every Oregon coastal port south of Astoria to commercial salmon fishermen.
- ★ Grabs for a few a resource that belongs to all the people of Oregon.

A VOTE FOR CORDON IS A VOTE FOR THE EISENHOWER PARTNERSHIP PLAN, WHICH MEANS PAYROLLS, PROGRESS & PROSPERITY FOR THE PEOPLE OF THE PACIFIC NORTHWEST!

THE DALLES DAM

Cordon worked for authorization of The Dalles Dam and got it started during the period of the Democratic no-new-starts policy in 1950—and he has the documents to prove it. Cordon has secured total appropriations of \$92,676,000 which is \$34,426,000 MORE than would have been appropriated had House recommendations prevailed.

CHIEF JOSEPH DAM

As usual Cordon's effectiveness with both Democrats and Republicans in the U. S. Senate made possible larger appropriations than House recommendations. For this project Cordon has secured a total to date of \$104,766,000—\$10,122,000 more than House recommendations.

ALBENI FALLS DAM

Cordon introduced legislation to authorize this project and secured funds for its continued construction while the Truman no-new-starts policy was in effect after the House of Representatives had refused to appropriate any funds for that purpose.

COUGAR DAM

The 83rd Congress appropriated \$150,000 for planning the proposed partnership construction of this project on the South Fork of the McKenzie river. The Federal-Power-nothing crowd fought the project tooth and toenail even though the local partner was a municipal power district.

JOHN DAY DAM

The John Day Dam between The Dalles and McNary Dams will cost around \$320,000,000 to build. In the last Congress Cordon introduced a bill to authorize construction of this dam with the local partners, public and private, putting up more than half the cost of the dam in the form of a prepaid power contract (preference going to Oregon) and the federal government retaining 100% ownership of the entire project as a part of the multiple purpose development of the Columbia River Basin.

HELLS CANYON DAM

It is a matter of record that Cordon introduced the only Hell's Canyon authorization attempt which ever came to a clear vote on the floor of the U. S. Senate. At that time Cordon's proposal was opposed by the public-power-or-nothing crowd in the U. S. Senate. There are other suitable dam sites on the Snake. Why hold out for one that the Congress has refused to authorize? Let's get something built and start the generators turning! Re-Elect Cordon!

From where I sit... by Joe Marsh Smitty's Not-So-Silent Partner

Dropped into Smitty's gas station last week and met his new partner who turned out to be a real talker. "What'll it be?" asked Smitty. Before I had a chance to answer I heard a strange voice "Fill her up! Fill her up!" And there was Smitty's partner—one of those parakeets perched next to the gas pump. "Took me a month," Smitty said, "but I finally taught him to say those magic words. It's sure paid off—he's had a good influence on my customers."
