Slate New Girls' League Prexy

Karen Slate was elected President of Girls' League for the year 1955. The result of the election, which was held December 22, was announced at the Christmas talent show.

Other officers elected are Jeanette Johnson, Vice President; Lola Fisk, Secretary; Clair Compton, Treasurer; Marion Harris and Karen Henninger, Program Co-Chairmen; Ruth Harnsberger and Anna Mae Jones, Song Leaders; Sharon Sapp, Senior Representative; Wanda White, Junior Representative; Doris Bundy, Sophomore Representative; Martha Hunt, Freshman Representative; and Dorothy Davison, Sergeant-at-Arms.

Foreign Students Wish Pen Pals

Two letters from foreign students were read to the seniors in their Social Economics class this week. The letters were received by Mr. McMurray and they both asked to have pen pals from students in the United States to help make world peace and democracy in all the countries.

An student wishing to correspond with these people in Japan and the Philippine Islands, may do so.

The addresses of these students from Japan and the Philippine Islands are:

Miss Gloria Auzo
Pacific View Academy
Sago Swigao
Philippine Islands

Mr. Asamu Takemura
10, 2 - Chome, Chodo, Fuse - City
Asoka, Japan

The word magazine originally meant storehouse.

Boy's Hi-Y Ambition Is Good Character

The purpose of Hi-Y is to create, extend, and maintain throughout the school and community ideas of Christian character.

Hi-Y is a service organization. The boys do various odd jobs like cleaning out the cemetery, and in case of a flood they get bedding and clothing together and give it to the needy people flooded out of their home.

Members of Hi-Y attend a different church each month to better understand everyone's religion.

The boys, who are members of Hi-Y are to set an example as good leaders among their fellow students.

Every year there is a state convention that the members of Hi-Y and Tri-Hi-Y attend. The convention is set up like a state Legislature. The girls and boys are elected as senators, representatives, and committee members, then a governor is elected. They carry on the meetings like a real legislature. The elected officers then go to the national convention.

Tri-Hi-Y is the same organization only for girls. The members would have the same duty, to create Christian ideas.

The social part of Hi-Y is to elect their sweetheart and have a semi-formal dance in the spring.

Organizing of Tri-Y Begun In School

James Mummary, associate secretary of the Pacific Northwest Council of the YMCA, has been notified of the Coquille High School girls' interest in the organization of Tri-Hi-Y. He has sent information and charter details to Mr. Millen, temporary advisor for the club.

Mr. McLain, Hi-Y and Tri-Hi-Y advisor at Coos Bay is planning

to send girls from the Coos Bay Tri-Hi-Y to inform and explain Tri-Hi-Y to those interested in being active members of such an organization.

Approximately eighty girls have signed up in Mr. Millen's room. Any sophomore, junior or senior girls is eligible to sign up.

Frosh-Soph Rack Brain-Saving Test

All freshmen and sophomores recently received tests to evaluate their interests and aptitudes.

The sophomores were given the Detroit aptitude test. This test showed their aptitudes in three fields, intelligence, mechanical, and clerical. Each sophomore will be called in for a personal interview to determine, with the aid of the tests and past records, which fields they might be the most successful in.

All freshmen were given the Kuder Preference test, which was an interest inventory. Next year the freshmen will be given the Detroit aptitude test. By combining the scores of the two tests, it will be possible for them to know fields in which they will probably be the most successful.

Tin Cans Provide Interest In Class

Our arts and crafts section of our school program, taught by Mr. Ingram, has had two interesting projects last fall. They made dishes and other things from tin cans, and shadow pictures were another project.

Some of their work was displayed in the trophy case during September.

Next six weeks metal bracelets and wire projects will be made. During November some of them will be displayed down town for all to see.

Remember, when it's advertised, there's no catch! Only top-grade merchandise at fair prices ever see the public eye.
