Coquille Valley Sentinel

COQUILLE, OREGON, Thursday, April 21, 1955

Fred Lorenz hit the jackpot last week. He landed a couple of nice big Chinook while he and Mrs. Lorenz were spending a week on the Rogue. Reported that one day it was exceptionally good fishing with lots of fish being taken.

In Luckey Bonney's, Luckey was busy wrapping up packages during his One-Cent sale and talking . . . yep . . . about his proposed salmon trip just as soon as the sun shone, to the Rogue.

While lots of people go down South, Dan Steinmetz says there's real sport at Siletcoos Lake going after the wary big bass that hit like fury right now. He's spent the past two Sundays at Siletcoos doing his bit to depopulate the bass population in that nice lake.

Another good clam tide this coming weekend. We still can't get over the fact that you rake 'em up at Charleston, and they're also delicious to eat. Only trouble this week, the tide is so early it means practically staying up all night to get a clam.

Joe Marchand and Bob Mason

are lending the city's blessings in getting a real softball league organized. They're doing a lot and as always Bob Mason's in the forefront of activities when it comes to pepping up a good cause. This year softball will draw practically every living breathing doll of a man, so we're told, and with 18 teams in the field, there's room for anyone who breathes.

Good news to small fry is the fact that city and schools will cooperate in persuading Curt Jarvis to help run the summer recreational program again this coming year. Last year's program in which Coach Curt took part was a real dinger . . . and this coming year will be even better.

Judge Dal M. King is reportedly in same situation lots of farmers are in . . . he has deer eating up his young trees . . . and as it's against the law to shoot 'em, he waggles his arms and the deer look him over with what is said to be judicial calm. Come deer season and the Judge and the farmers won't have any deer on their places at all. But now . . . who said the deer weren't smart?

Non-Residents Can Fish In Our Ocean

A bill signed by Governor Paul L. Patterson recently allows non-resident commercial fishermen to obtain licenses to fish in ocean waters over which the state of Oregon has jurisdiction. The new law became effective April 1.

Under previous laws, non-resident commercial fishermen could obtain only delivery licenses to land catches from ocean waters beyond the three-mile limit to Oregon dealers. A year's residence in Oregon, however, was required for issuance of a license to fish in ocean waters within the three-mile limit.

Another provision of the new law allows issuance of commercial fishing licenses to citizens under 18 years of age.

Friday Fish Day!

Friday was the best fishing day up to that time on the Rogue River, according to Fred Lorenz, who caught two fine Chinook that day. He and Mrs. Lorenz came home on Saturday after a week of fishing and hoping for fish in the Curry county town.

THEY ENJOYED HUNT—Young Mary McGrath and Ray McLendon had lots of fun at the Rotary club's annual Easter Egg Hunt on the courthouse lawn. And, they also enjoyed the good Dixie cups of ice cream that the club members gave the youngsters following the hunt. (Sentinel Photo)

be two local fishing boat events.

Quarterhorse Boys Want More Showing

Members of the fine horse fraternity in Coos County are asking for more showing of fine horses and quarterhorse breeds at the Coos County Fair this coming summer.

A petition is in Coquille at the

Glenn and Lee Barber shop which names can be put on to be given to the Coos County fair board.

VFW To Elect Officers Wed.

Veterans of Foreign Wars will elect new officers Wednesday night (April 20) at the meeting at the Labor Temple.

Motorboat Races To Draw Big Crowds To Lakeside Event Saturday Morning

Biggest boating news on the horizon this weekend is the spring races at Lakeside, Oregon starting Saturday morning at 11 a. m.

Sponsored by the Southwestern Oregon Motorboat Association and the Lakeside Boy Scouts, the races this year have the official approval of the American Power Boat Association. Races will receive national recognition and

records established will be official. This is the first time that the local races have had this approval.

Entering will be motor boat men from all up and down the Pacific Coast.

From this area are Lyle Knox, John Hartley, Ken Myers, Ralph Hall, Ted McKenzie, Carl Woods. The races will be both inboard and outboard and there will also
