Nature Cures, The Doctor Takes the Fee.  
There is an old saying that "Nature cures, the doctor takes the fee," but as everyone knows you can help Nature very much and thereby enable it to effect a cure in much less time

than is usually required. This is particularly true of colds. Chamberlain's Cough Remedy relieves the lungs, liquefies the tough mucus and aids Nature in its expectoration, allays the cough and aids Nature in restoring the system to a healthy condition.

### Bank Merger Possible.

It is unofficially announced, says the Coos Bay Times, that plans are well under way for a consolidation of the Bank of Coos County, formerly the Flanagan & Bennett Bank, and the Bank of Myrtle Point under the name of the latter.

The matter has been placed before the Oregon State Banking Department for its approval. All details with the exception of some realty holdings of the Bank of Coos County are said to have been agreed upon.

Under the present plans, the officials will be as follows:

President—A. J. Radabaugh.  
Vice-Pres.—J. A. Black.  
Cashier—R. A. Annin.  
Assistant Cashier—Miss Crawford.

The Bank of Coos County was purchased from the Flanagan & Bennett interests at Marshfield last year by Mr. Black, formerly of the Umpqua district, A. E. Adelsperger, R. C. Dement and others.

It is pointed out that one strong financial institution will be much more advantageous to the community than two smaller ones and will tend to eliminate factionalism which sometimes proves detrimental to communities and institutions.

In view of the situation at Myrtle Point for several years past the latter point seems to be especially well taken.

### Rev. Wm. Horsfall Retires.

Last Sunday Rev. Wm. Horsfall, of Bandon, who has been for many years in charge of the Episcopal congregation here at Coquille retired from the active work of the ministry.

He took charge of the work on Easter day, 1889, and has given it his undivided attention ever since.

Wonderful growth and progress has taken place in this section during that time and Rev. Horsfall has taken a prominent part in this development. For 22 years he was located at Marshfield and for the past seven years in Bandon. Although retiring from active work ahead of the local parish, Rev. Horsfall will continue to make this his home. An-

other pastor will arrive here soon to take charge of the work here and at Coquille.
