Germans May Become Citizens Because of the cancelling of the

ruling that no aliens during the per-iod of the war shall be allowed United States citizenship and the substitution of this law by a new regulation which itizenship two years before the United States declared war on Germany to make applications for such citizenship and receive it if objection is not made, four names have been presented the Coos county council of defense of aliens in Coos county who are seeking citizenship papers.

The four are: John Karl, Austrian, of Arago.

Walter Stybor, German, of North Andrew Marius Itmrichsen, Ger-

nan, of Coquille. Ernest Heinrich Harkensee, Ger-

man, of Coquille. If no objection to these four can be made so far as their loyalty is conerned, since they applied for citizenship two years before the declaration of war was made and still desire quested to write to L. A. Liljeqvist at Marshfield, or to the United States district attorney at Portland.

Going the Limit.

Mr. and Mrs. H. Cook and their daughter, Miss Nellie Cook, who are the cooks and waitresses at the Daceived any of the particulars of her already has \$1,000 of Liberty Loan bonds and expects to subscribe for \$1,-We thought we were through with 000 more of next issue. One logger the measles but there are several cases in that camp went the limit by subscribing for \$200 more W. S. S. in addition to the \$800 he already owns.
