Caring For The Soldier's Teeth

IMAGINE a soldier aiming a great gun behind the trenches—piloting a swift aeroplane above the clouds—with a badly aching and decayed tooth. Uncle Sam sees to it that his men take care of their teeth. He has a staff of dentists in each camp who care for the teeth of the defenders of our country. It's the man behind the gun who must be kept in trim, otherwise the gun becomes useless.

In a short time, in the Boer war, England had to send home more than five thousand soldiers, mates, because of bad teeth. Bad and neglected teeth vitally affect the nation's health. Yet many go through life under the foolish belief that artificial teeth are "something they can always have." Dentists have proved that artificial teeth, at best, do only one-tenth of the work required of natural teeth.

Many teeth, sound in outward appearance, are being undermined by decay. Often the pulp (nerve) becomes infected and dies; pus forms, which, taken into the blood, menaces your entire health.

Register!

Can you face that silent question in every eye—Did you Register?

On the street at the theatre, eyerywhere---that silent question---"Did you Register?"

You will have to live with yourself through the years to come. Register!

Which will you feel when this war is over---pride or shame? Register!

Make your family proud of you---not ashamed of you. Register!

Your country calls. There must be no man so careless, so base as to fail to register.

This is the roll call of America's sons. Let no man fail to respond. Register!

How will you square yourself with your wife---your children---your conscience---if you do not register?

Help to swell the registry list---its length is going to strke terror to the Kaiser's soul. Register.

The man next door says he's glad he has a chance at last to show the Kaiser which side he is on. He's going to register early.

If yon dont register for Uncle Sam you are registering for the Kaiser. You can't stay on the fence—It's barbed wire.

On September 12, every man from 18 to 45 years of age, both inclusive, must register for the Selective Service, unless he has already done so.

13,000,000 million men will enroll on that day. From them will be selected the men needed to bring our army up to 5,000,000 effective.

Church of Christ

The Junior Endeavor with their superintendent and about 20 members had their lesson hour and outing Sunday afternoon. All reported a good lesson and a good time.

The Senior Endeavor has a short missionary educational address at each service.

The Bible School is growing and more interest is manifested by all. But with a superintendent who is always at her post of duty, as is Mrs. Lena Boyrie, we do not wonder when we see something doing all the time. All honor to our superintendent.

The services on last Lord's Day were well attended and attention fine at both morning and evening services and every thing lovely (except time.) Rev. W. L. Straub feeling that he owes his services to his country as well as to his church and his people, has enlisted in the L. L. L. L. and is now working in the night shift for the Sitka Spruce Co. and his people and co-workers in the church commend him for this act of obedience to his country. When men are needed as they are now, ministers as well as others, we feel, should do their bit outside as well as in the pulpit and many we are glad to note are so doing.

We shall soon have with us Mrs. W. L. Straub, who is now visiting relatives in Portland. She is also an ordained minister and if she proves as efficient as her husband has shown himself to be, we can see great times ahead for the church and the societies concernd.

Lord's Day morning, Sept. 8th, the subject will be, "An Ideal Congregation." In the evening will be given the first number of a series on the present war, "The Past, Present and Future of Jerusalem."—Church Correspondent.

CAN OREGON REPEAT?

The vaults of the U. S. Treasury again need refilling. Ever increasing expenditures necessary to hasten the end of the War, the Keeping-up and Backing-up of "Our Boys," the Sustaining of the Allied Nations and their Peoples, the Perpetuation of Democracy and Destruction of Autocracy — require the unstinted sacrifice — the DO YOUR BEST, NOT SIMPLY "BIT," of every true American.

The Eve of the 4th Liberty Loan is here. FIRST in every patriotic endeavor, OREGON *cannot, will not, shall not* falter NOW. With more to work for, more to give for, more to sacrifice for—every true Oregonian will make it his duty to *see* that Oregon DOES REPEAT—by going over the top FIRST once again.

While the campaign does not officially start until September 28th, we will so voluntarily pledge our subscriptions and anticipate our quotas that in *this town, this county and this state* IT WILL BE OVER WHEN IT'S OPENED.
