A National . Shock Absorber

Do you remember any period in which our country has been subjected to so many anxious moments as during the past two years?

Can there be any doubt that confidence in the Federal Reserve Banking System as a national shock absorber has contributed largely to the tranquility of business and banking during these tense months?

If you appreciate what this new nation-wide

syboom has been doing for you, you can support it and add to its strength by promptly becoming one of our depositors.
