COMING . SATURDAY, APRIL 19 "Daughter of Destiny"

"Daughter of Destiny." The story deals with the European political life and is an exciting as well as an interesting, dramatic offering made acceptable by reason of Mme. Petrova's remarkable dramatic power. The play is richly staged and finely costumed. Saturday, April 19th.

Olga Petrova, beatiful, radiant and artistic, was never so passionate in any photoplay before as in "Daughter of Des-tiny." The story arises out of war conditions, but is not a story of the war.

### U. of O. Girls' Glee Club Thursday, April 24

The Girls' Glee Club of the University of Oregon, in the course of a tour of Coos county, will appear in concert at Coquille on the evening of April 24 in the Liberty Theatre. Friends of the organization say that if there were any Coquille people in the audience which greeted the girls in Eugene there will be no trouble about a house in this town. The Eugene people packed the theatre and gave the girls a real ovation. Since then the program has been modified and improved for the tour. The best of the incidental stunts have been retained, and others prepared which are guaranteed laugh-producers.

Two Coos county girls are members of the club, Miss Marvel Skeels, of this city, and Miss Pearl Craine, of Bandon. Miss Skeels is a second alto and Miss Craine a first soprano.

The club has twenty-three members, under the direction of Miss Eleanor Lee, instructor of voice in the School of Music at the University.
