Alva Harry got home from the army Saturday.

Jess Cotton got home from overseas last week. He was in the 305th regiment, 77 (New York) Division. He went up to Brewster Valley with Fred Baker Tuesday evening. He is fat, looking and feeling fine. He says it is no fun to be gassed.

Mrs. Pearly Crowley came home from Coquille last week much improved in health.

Mrs. Kinney, of Oakland, Calif., is visiting her uncle, Charles Shepherd and family.

Dale and Lile Marcy went to Coquille Saturday; they rode their Shetland ponies as far as the Willey ranch.

Mrs. Albert Christenson, of Brewster Valley, made a trip to Coquille Tuesday.

Is it a Coos county grand jury or a recallers' grand jury? It looks as though the grand jury had drowned itself in a flood of muddy waters.

Mr. Savage let the cats out of the bag. Some of them seem to be of the Kilkenny variety and sit up nights to squall.

Victories of Faith. The victories of faith are the ineffable landmarks that mark the way men go through faith to new victories. In the giving of thank offerings for victories brought about by enduring faith, we reaffirm our allegiance to the things of righteousness and know that "in the righteousness of faith" the "substance of things hoped for," increase the "evidence of things not seen." The Victory Liberty Loan is ours not only as the substance that we are true to the present, but an evidence of our abiding faith to be true to the future.

Mail days are interesting days at our home. Never have they been more so than since that August day in 1914, when the treachery and avarice of hell, as personified in Billie 2

and the German people, commenced the war to enslave and shackle mankind with "made-in-Germany" chains. Intensely interesting were those mail days after that April day in 1917. For then we knew we were to be in the fight, not in spirit only but as those who offer their all on the altar of battle for life and freedom for all mankind.

These tri-weekly mail days with letters, papers, magazines. How we read them, in summer days and busy times, everything stopped until the letters were read, the papers by headlines, until night gave us time to read more closely. The long evenings of winter days extending into the night of those mail days, as we read and studied in front of the fireplace fire, always with the abiding faith that the "Lord reigneth." Those letters written from Vancouver, Texas, Long Island, on shipboard, in England, then from France, how we watched for them. We knew about when to expect them but sometimes mails were delayed, then we just waited, and sometimes several would come in a bunch. The regular weekly letter from Morrow county never failed to come; and all the letters were messages of cheer. Those were great mail days, we will never forget them. Then the return of our soldier from overseas, the unexpected walk in on us, was the crowning of our day with blessings. In joy and thankfulness for all these blessings we buy our Liberty Victory Bond. If we fail to buy a bond we would be untrue to those who made a freewill offering of their lives that "life, liberty and pursuit of happiness" might not perish from the earth. If we fail to buy a bond we would be untrue to those whose bodies lie "between the crosses row on row" where "poppies blow." For they tell us, "to you from falling hands we throw the torch, be yours to hold it high." It is for you and for me to "hold it high," and if we fail

THE FAMOUS ROOSEVELT PICTURE

## 'OUR TEDDY'

Friday and Saturday, May 2d and 3d

A Stirring Romance of American Life

The story of Theodore Roosevelt's life is a mighty drama—Human beyond compare because it was lived by an American—Among Americans—For Americans—A Legislator at 23—A Cowboy—Rough Rider—Fighting men's fights with a bull dog courage and tenacity—Victor against tremendous odds—He gave the New York Police Dept. the shock of its existence—Wherever he was, things happened fast and furiously—His life is the world's most natural motion picture—Drama—Comedy—Action—Thrills—Suspense—Pathos.

"Our Teddy" is a special feature attraction that will appeal to all classes. With a wonderful box-office title, it is one of those rare productions which wins the patronage of the regular theatre patrons because of the quick action and dramatic qualities of its story, and it attracts the thousands who seldom attend a motion-picture house, and then only when an attraction of this character is on the program: They will patronize it for its historical value, and for the international importance of the man about whom it centers.

## "RAFFLES"

"The Amateur Cracksman"

Friday and Saturday, May 9th and 10th

JOHN BARRYMORE

in "RAFFLES, THE AMATEUR CRACKSMAN"

The Story of "Raffles, the Amateur Cracksman"

"Raffles," the amateur cracksman (John Barrymore) steals for the excitement of it. He delights in outwitting the police and in taking from the rich and giving to the poor. The story opens with Raffles in pursuit of an international swindler aboard a ship. He wishes to get a ruby which the swindler has. He has discovered it in the heel of the swindler's boot, and jumps overboard to escape detection. He is seen by Mrs. Vidal (Christine Mayo), an English society woman. Raffles reaches shore, and returns to England, where he meets Mrs. Vidal, and she falls in love with him. They meet at Lord Amersteth's home in London. Lady Amersteth has a priceless necklace of jewels known as the Melrose jewels. There is discussion about the amateur cracksman who has robbed many of the rich of London. The jewels are shown in Raffles' presence. Raffles is in love with Gwendolyn (Evelyn Brent). Mrs. Vidal threatens to expose him if he doesn't return her love. A detective is engaged to guard the jewels. Captain Bedford (Frederick Perry) is introduced to Raffles as the detective. He declares he will catch the amateur cracksman.

The rest of the story of "Raffles" can be seen at the Liberty Theatre May 9 and 10.

At the next session of the North Bend council, to be held early in May, bids will be opened on \$50,000 of street work. It is proposed to pave South Sherman avenue and other streets on the hill there. The amount of money to be spent on street and highway improvement in Coos county this year will probably be greater than ever before and may reach half a million dollars.

If I Were a Farmer.

If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Colic and Diarrhoea Remedy for bowel complaints. Chamberlain's Cough Remedy for coughs, colds and croup. Chamberlain's Liniment for sprains, bruises and rheumatic pains. Chamberlain's Tablets for stomach troubles, biliousness and constipation. By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable me to treat such ailments as soon as they appear, and thereby avoid the more serious diseases that so often follow.

### NOTICE TO EXTERMINATE GROUND SQUIRRELS

Every person, firm, co-partnership, company or corporation residing on, owning, leasing, occupying, possessing or having charge of or dominion over any land, building, wharf or dock infested with digger ground squirrels in Coos County, Oregon, is hereby notified to begin at once to effectively exterminate and destroy all such DIGGER GROUND SQUIRRELS.

The following poison for mixing and instructions for use thereof is the method most expedient and effective to be used for the extermination and destruction of such ground squirrels and is hereby recommended, to-wit, alkaloid strychnine used on either barley of wheat, barley preferred, mixed according to the following formula and manner, to-wit:

Barley, clean grain	16 quarts
Strychnine (powdered alkaloid)	1 ounce
Bicarbonate of soda (baking soda)	1 ounce
Thin starch paste	½ pint
Heavy corn syrup	¼ pint
Glycerine	1 tablespoonful
Saccharin	1-10 ounce

This material should be mixed as follows: Mix thoroughly 1 ounce or powdered strychnine (alkaloid) and 1 ounce of common baking soda. Sift this into ½ pint of thin hot paste and stir to a smooth, creamy mass. (The starch paste is made by dissolving 1 heaping tablespoonful of dry glass starch in a little cold water, which is then added to ½ pint of boiling water. Boil and stir constantly until a clear thin paste is formed.) Add ¼ pint heavy corn syrup and 1 tablespoonful of glycerine and stir thoroughly. Add 1-10 ounce of saccharin and stir thor-

oughly. Pour this mixture over 16 quarts of clean barley and mix well so that each grain is coated.

One quart of the poisoned grain mixed as aforesaid is sufficient for forty or fifty baits and this quantity scattered along squirrel trails or on clean hard places on the surface about the holes will not endanger stock. Strychnine in any form other than the powdered strychnine (alkaloid) is not effective in the above formula.

From the date hereof until May 1st is the most effective time to poison and destroy the digger squirrels, as they are just emerging from their hibernation. They are hungry and food is scarce.

The County Court of Coos County, Oregon, has secured a large amount of strychnine and the other ingredients necessary for the mixture, and a quantity thereof has been mixed and is now on sale to the farmers or persons interested at actual cost and may be had by applying to the undersigned at his office at Coquille.

If any person herein designated shall, within thirty days from the first publication of this notice, fail to begin in good faith to exterminate, eradicate and destroy, according to the method aforesaid, or by any other effective means, said ground squirrels herein designated, the County Court of Coos County, Oregon, will appoint a person or persons to proceed with the extermination and eradication of such ground squirrels, and the cost thereof incurred will be assessed to such land, building, wharf or dock, and unless paid will become a lien against the same, for the extermination of said ground squirrels.

This notice is published pursuant to the statute in such case made and provided and for two consecutive weeks or three issues, and all persons described therein are required to take notice thereof.

Dated and first published this 25th day of April, 1919.

J. L. Smith,

County Agent for Coos County, Oregon. 1613

### NOTICE OF PROPOSED SEWER.

Notice is hereby given that the Common Council of the City of Coquille, a municipal corporation, of Coos County, Oregon, did, by resolution duly adopted at a regular meeting of said Council held on the 21st day of April, 1919, and which resolution is kept of record in the office of the City Recorder of said City in the records of the proceedings of the said Council, and reference to which resolutions and the said record thereof is hereby made and by such reference the same are made a part of this notice, duly declare its intention to construct a sewer along Hall street between First and Second Streets, and along First street between Hall and Willard, as one project and sewer system in connection with other and present existing sewers, and all within the corporate limits of the said City of Coquille.

Said sewer will be constructed in accordance with the plans and specifications of the City Engineer filed in the office of the said City Recorder on the 21st day of April, 1919, and the estimate of the probable cost thereof is the sum of \$1924.18.

Said sewer will be constructed at the cost and expense of the property benefitted thereby as stated in said resolution.

Any and all persons interested may make and file with the City Recorder a written remonstrance against the said proposed sewer within twenty days from the first publication of this notice, to-wit: within twenty days from the 25th day of April, 1919.

J. S. Lawrence,

City Recorder. 1612
