

You can easily transform shabby furniture, or woodwork on which the finish is worn, marred or unsightly. At slight expense you can make it like new, or give it an oak, mahogany or walnut finish, to harmonize with the balance of your furniture.

ACME QUALITY
VARNO-LAC

stains and varnishes at one operation, producing imitations of expensive hardwoods and popular stain effects. It is just the thing for shabby chairs, tables, and all kinds of furniture and woodwork.

The Acme Quality Painting Guide Book tells how easily this can be done, how much is required, and how paints, enamel, stains, and finishes of all kinds should be applied. This book is free for the asking at our store.
