I asked him what lot, we turned completely around and dove downward and backward through the blinding yrapoi bather breachless, filled with fearsome image inings, Governor Olcott and I clung to our seats and watted. We come to due to the the filers were giving the Governor a "little party" in the clouds. But finally when we shot out inde clear sunlight we learned that it had been merely a leng detour to had been merely a leng detour to saved for.
The wind was strong and the ships havayd like birds. Far below hay a rugged wooded country with uncomfortable meaning panion ships dip and sway in the air to the out to get her shoes. They was y to come!
The hop from Granada over Mr. Shatta to Redding was a seventy side the governor be said, "Here boy, for the mayor may the joke and turning to the governor be said, "Here boy, for the safe mough." And the work to sent to be safe mough for the safe in the safe and to be the common ships dip and sway in the safe turned to get her shoes. They was y to come!
The hop from Granada over Mr. Shatta to Redding was a seventy of the mayor may the joke and turning to the may the safe mough for the mayor was the to come!
The hop from Granada over Mr. Shatta to Redding was a seventy of the safe mough for the may and been cold, he confersed that there were times when the knew show and the there were times when the safe that the safe were the safe the ware the ware the safe the ware the safe the safe that the safe were the safe tt. Fifteen thousand quarts were ship-Fifteen thousand quarts were ship-ped into Seattle in five months, it is said. Let us do a little figuring. That is 3009 a month and 750 a week or about 107 s day. Suffering Seattle! Is that all?—Oregonian. Is that all?—Oregonian.

Supposing that the Oregonian re-ters to bases, it is evident that the supply mentioned won't make a pint a day for one person in 1500 there or if seasons are to be changed to The courts have uniformly he restricted supply to one man in 375.

Coos county has nine mothers with fatherless babies in the Louise home at Portland. This is almost onequarter as many as Multhomah, which has forty. Lane with 18 is the only county outside of Portland which has more than Coos.

In order to keep away the bibul ly inclined visitors from this country who are considered undesirable cit-izens even in Mexico, the govern-ment there is going to establish a dry zone along the U. S. border. consecutive days.

The Duck Hunting Season The federal season for duck she

will be fo d by the state ne authorities, according to an int made by Carl D. Sho tober 1st and closes on January 15th,

igh the feder egon will, there sons with reference to the she ing of ducks. However, all other provisions of the state law, with the exception of the opening and closing dates, will be enforced, as there is no conflict with reference to bag limits, hours for shooting and methods of pursuit. The bag limit for migratory birds is twenty-five in any one day and not to exceed thirty in any seven

A 50 Ib barrel of hydro-carbonite roof paint for sale at this office. It's just the time to paint your roof and just the kind of paint you need.

NO REASON FOR IT

You Are Shown a Way Out.

You Are Shown a Way Out. There can be no reason why any reader of this who suffers the tortures of an aching back, the sanoyance of urinary disorders, the pains and dan-gers of kidney, ills will fail to heed the word of a resident of this local-ity who has found relief. 'Ine fol-lowing is convincing proof. J. W. Stoops, 1342 Harvard Ave., Roseburg, Oreg., says: "I couldn't recommend anything equal to Doan's Kidney Fills for buckach. At times, I rm more or loss bethered with a dult

Kidney Fills for backache. Al I ram more or issue bethered with pain in the small of my back ten when I get down, I can straighten up, my back gets and sore. As a rule, my kidin out of fix, when I have this with my back. It takes Doer ney Pills to remove these trought for doest of this medicine is the feeling fine again."
