**The Great Food for Stock and Poultry**  
That Has Increased Profits 53%

Here is the wonderful fat food for milch cows, calves, pigs, poultry, sheep and horses that expert stockmen have used for twenty years.

The great butter and cheese exporting countries of Europe—Denmark, Holland, Belgium and Switzerland—have been its largest consumers because it was easily procured and largely increased their production and resulting profits.

fat and skim milk amounting to 53% have been recorded in tests made by unprejudiced dairymen.

Its great value lies in its comparatively high fat content, Kaola Meal containing a higher percentage of digestible fat than even linseed oil meal.

But remember, Kaola Meal is not a laxative. It is simply a well-balanced food, rich in carbohydrates and protein as well as fat. Feed it in the proportion of 10% to 25% of your other grain foods.

Kaola Meal is made from the pure white meat of coconuts after the commercial oil has been extracted. The remaining oil and the coconut meal, as we offer them to you, make one of the finest foods for stock and poultry that any breeder knows.

Try it and see. Order from us. You'll always use this food. Analysis as follows: Protein 16.02%; Carbohydrates 68.50%; Fat 7.18%; Ash 5%.

Now YOU can get it in the form of KAOLA MEAL to help YOU make more money.
