W. S. S. Being Counterfeited

Counterfeit war savings stamps, cleverly designed in replica of the regular government issue, have been discovered in the hands of dealers in the east, and to ward off a possible invasion of the Pacific Coast by the spurious securities, the federal reserve bank of San Francisco has issued a coast wise warning.

The counterfeit stamps are of the 1919 issue, it is said. The stamps are photographic productions in good color, blue ink, but the fine lines behind the portrait in the genuine appear in solid color in the counterfeit. The perforations of the genuine

FLOUR is a good investment

IT is not our intention to urge the purchase of more than your reasonable requirements of flour, but if you have not taken care of your to that extent you should do so. Flour has advanced 40c per bbl. at the mill and we are in receipt of advice from the mills that there will be a further advance in the near future.

We still have a fair supply of

Cupid Flour at the old price

and we guarantee it to give you satisfaction or your money refunded

Remember the brand—Cupid
