As welcome as the morning toast - and as friendly

A good oil heater filled with Pearl Oil gives agreeable comfort. At the touch of a match there is friendly warmth. No smoke, no odor, no dust, no dirt. It is convenient—easy to carry about, and economical—oil is consumed only when heat is needed—no waste.

Pearl Oil is refined and re-refined by our special process which makes it clean burning. For sale in bulk by dealers everywhere—the same high-quality kerosene as the Pearl Oil sold in five-gallon cans. There is a saving by buying in bulk. Order by name—Pearl Oil.

We recommend Perfection Oil Heaters.

East Fork Notes

A letter of Nov. 9 from J. E. Wilson, father of the little boy who was at Mountain Glade a year ago for a short time, says of the crops in Oklahoma, "Fruit is scarce, feed is plenty; crops are good, the best in years and people are doing well. Cotton is the highest ever known, \$42.58 to \$44—a 500 bale, which brings \$200. The seed is worth \$50 a ton. There are ten hundred pounds of seed in a bale. It takes 1500 pounds of cotton to make a 500 pound bale of lint, 1-3 lint, 2-3 seed. Potatoes, sweet, \$2.00, Irish potatoes \$2.50; wheat \$2.00; corn \$1.75. All that people have to buy is high, eggs 60c, butter 50c." The letter was written from Cotton Fields, near Willard, Oklahoma. The price for picking cotton is \$2.50 to \$3.00 a hundred pounds.

James Benham and Walter Laird were hauling planks last week to bridge some of the mud holes lengthways in the East Fork road.

Arthur Hodge, of Fishtrap, was asked about some of the big things he saw in France where men thought of others instead of themselves. He said, "A medical detachment had been feeding on rations such as they could get, one day the mess sargent
