Maiden Family Reunion.

Mrs. Albert Maiden, of McKinley, has as guests at her home a sister, Mrs. Bessie Davis and her son, Walter Davis, of Tama, Iowa, who expect to remain all summer, dividing their time between Mrs. Maiden and a brother, Frank Davis, at Myrtle Point. It is eleven years since the two sisters met and 18 years since the brother saw his sister.

Mrs. Sarah Martin and daughter, Mazie, are also visiting at Mr. and Mrs. Maiden's. They are from Des Moines, Iowa. Mrs. Martin and daughter expect to make Oregon their home with Mr. Jos. Maiden, father of Mrs. Martin.

We may also mention here that Mrs. Martin's son and wife and daughter, Mr. and Mrs. R. E. Martin and Lois, accompanied Mrs. Martin from Iowa and are now residing in Marshfield.

Mrs. Maiden is daily expecting another sister, Mrs. Nellie Alvord, from Glendive Mont., to visit in Oregon for a month or two, while Mr. Maiden is soon to have a brother visitor from Chadron, Nebr., and maybe to reside permanently in Oregon.

The Davis-Maiden-Martin reunion will be a much enjoyed feature for all concerned, there being such a lapse of years since some have met—for instance, Mrs. Bessie Davis and brother of Myrtle Point have not met since he came west 18 years ago, while Mrs. Martin has not seen her sister, Mrs. Martha Haas, of Seattle Wash., since January, 1898. All from Iowa are very much enraptured with Oregon.

U. S. Marine to Come Home.

Corporal Raymond B. Powers from the United States Marine Corps recruiting station at Portland came down here Tuesday to investigate the case of a member of the Marine Corps who enlisted here last November and is now on duty at the American Legation at Peking, China. He is a son of Edward L. Webb, of Riverton, who was taken with a severe attack of sciatic rheumatism a month after the young man's enlistment. Mr. and Mrs. Webb have been the parents of thirteen children, of whom the two eldest are married and three have died, and the parents have requested the son's discharge from the army as he is sorely needed at home. After learning all the facts in the case, Corporal Powers feels confident that young Webb will receive his discharge as requested.

When she cries, you'll cry. When she smiles, you'll smile. When she gasps, you'll gasp. When she clutches for help, you'll grip your chair, and when she screams, you'll probably be put out. But come anyhow, and see Norma Taluadge as Jennie Malone in "A Daughter of Two Worlds." It's a picture! At the Liberty Theatre Monday and Tuesday, July 12th and 13th.
