McKinley Notes

Even though the weather was so stormy about forty persons were out Saturday night to the special Grange meeting held for initiation purposes. There were ten candidates for initiation. The work was well put on by the Grange team. We have attended a good many initiations at different Granges but we never saw the work put on any better than at McKinley Saturday evening. It was voted to have the next regular meeting on Dec. 29, instead of Saturday as that is Christmas evening and it would hardly be likely we could have a full attendance at that time. And as this is to be our election of officers we very much want all the members present.

L. A. Lawhorn went to Coquille Saturday to stay until after the holidays, Mrs. Lawhorn having gone in a couple of weeks ago.

Mrs. Wilcox was a Coquille visitor Saturday.

Mr. and Mrs. Elton Graham are moving from McCarthy's camp to their farm at Broadbent.

Frank Snow is on the sick list this week.

Oscar Bunch and family attended the Grange meeting here Saturday night.

Harold Shepherd and wife, also Louis Laird and wife are visiting at Chas. Shepherd's this week.

Mrs. Elmer King is to be the new cook at McCarthy's when Mrs. Graham leaves.

Archie Shepherd had business at Coquille Monday.

The Sunday School is having a Christmas program on Sunday afternoon at the school house, commencing at one o'clock. Rev. Mr. Chamberlain will tell the Christmas story. The usual recitations and Christmas music will be followed by a Christmas

offering for the Armenian children. Each person is asked to contribute a piece of money for a Christmas present to some little starving Armenian child. Everybody is cordially invited to come and hear the program and bring their Christmas piece of silver.

Mrs. W. H. Bunch, who has been poorly for so long, is much improved again.

Mrs. May Mast is visiting home folks this week.

Lyman King and wife are moving into the new house, which Lyman has built on the lower part of the farm.

East Fork Notes

A young man by the name of Calhoun from Marshfield, and a man by the name of Friar, of Nebraska, who has been visiting relatives in Marshfield and is now en route to Los Angeles to visit more relatives, went past Saturday with a team bound for Roseburg.

J. D. Laird attended the Bety's auction sale Saturday.

Julius Benham and Mrs. Julius were also there.

William Culbertson and Charlie took it in. Mr. Culbertson got the phonograph on an investment of four bits and what the other fellows lost.

Tom Krewsen and Mrs. Krewsen were at Coquille Thursday and Friday. He got links for the chain and now the crusher goes merrily on, 54 loads of rock put on road Monday, three teams.

Alex Anderson and Chester Krewsen took a trip to Portland.

Ezra Watson and family have moved to the Minard place where he is putting in logs.

Good morning, Mr. Normalcy, have you read that President Wilson received the Nobel peace prize. The Angel song is sung by man as well as angels.
 R. A. Easton.
