Progress of Marshfield Road

A joint order from the state and county authorities has the end in view to place the county highway from Coquille to Davis slough into commission for travel at once. To make this possible, Ed Skogsberg, of the Scandia Shipbuilding company, received orders from the state engineer's office to at once connect up the paving that company laid this fall with the city of Coquille. Mr. Skogsberg went to the scene this morning and is putting on a crew of men who will work continuously until the necessary planking is laid. The scheme involves laying two or three planks lengthwise, with sufficient foundation to last until spring. This work will run from the end of the paving laid last fall by the Scandia company to the T bridge at Coquille. When this is completed in an estimated time of three or four days, travel will be possible from Coquille to Davis inlet, and it is expected considerable business will be done over the road for the rest of the winter. It is understood that boat service from Marshfield to the paving at Davis slough is contemplated, to connect there with an auto service line on to Coquille.—Marshfield News.

H. C. L. Gets It In The Neck

The Busy Corner is at the front this week with another broadside at low prices—Patent flour down to \$2.80 a sack; Navy beans 20 lbs for \$1.00 tomorrow; Picnic hams 25 cents; Wesson Oil 67 cents a quart; Iowa-sugar corn 16 cents a can, etc. The cost of living stayed up a long time, but has certainly been on a steep down grade lately. In this connection it is worth mentioning that Bradstreet's representative says no store in the country has a better record than the Busy Corner for low expenses in proportion to the volume of business transacted—something that enables them to sell at the lowest possible prices.

Junior "500" Entertained

Mrs. J. L. Smith entertained the Junior "500" club Wednesday evening, about twenty members and guests being present. They report a very enjoyable time winding up with a most appetizing luncheon. Mrs. C. L. Tuttle won the club prize, Mrs. Leo J. Cary the guest prize, both of which were ivory photograph frames; and Mrs. W. J. Longston received the consolation prize. Mrs. Emma Pierce was re-elected president of the club at this meeting.

House Party at Beale Lake

E. R. Peterson, our former club leader, and his brother, Charles, had a week end house party at their cottage at Beale Lake, which included Miss Genevieve Thompson, County Supervisor, Miss Geneva Robinson, Miss Marian Young and Miss Hill. The party went up Friday afternoon and returned Sunday afternoon. E. R. returned to O. A. C. Sunday morning. The girls report a fine time, with a hike over to the ocean and rowing trips on the lake.

Mt. States to Burn Oil

Manager Martin of the Mountain States Power Co. Tuesday started to rig up an auxiliary power plant at the Smith mill which will burn fuel oil. Mr. Martin has been having trouble owing to wet wood during the shut down at Christmas time and not being certain when the mills would start, he thought it better to be prepared with an emergency plant in case of more grief with wet wood, which is being used in place of the mill refuse.—Times.

At Work Wednesday

Almost before the rains stopped and while everything was yet soggy, the highway commission's crew was at work Wednesday on the unfinished portion of the Marshfield road nearest the bay, laying both cement and planking.

So were the Scandia people at this end laying planking lengthwise to make some sort of a passable road from the Masonic cemetery in.

Presbytery Here Monday

Rev. W. S. Smith, of Bandon, Rev. Mr. Lamb, of Reedsport, Rev. W. R. Sanderson, of Marshfield, and Rev. Mr. Gelvin, of North Bend, were here Monday holding a Presbyterial meeting to confer as to the distribution of the New Era quota for 1921 among the churches of southwestern Oregon.

Ritter & Martin

Coon & Rickard have sold their meat market here just east of the Farmers' store to C. D. Ritter, of Marshfield, and A. E. Martin, of Riverton, who took charge on New Year's day and will operate it under the firm name of Ritter & Martin.

It's like picking up money in the street to get the Oregon Farmer every week for a year at only 15 cents when subscribing for the Sentinel.

New Names Change

Hardly any name has been immune from change at one time or another, but surnames seem to have been especially liable to maltreatment, particularly when the prefix is followed by a vowel. The well-known Tooley street, in London, was originally St. Olave's street, and it is not difficult to imagine the stages through which it must have passed in the slurring speech of the metropolis before it crystallized into its present form. In the same way the dignity of "St. Aubin" has been lost in the comparatively commonplace "Tobin," whilst "St. Audrey" has degenerated into the word "tawdry," applied to a class of cheap and pretentious goods which were the feature of the old St. Audrey fairs.

One's Work Shows for Itself

Exceptional mental fitness is bound to express itself in the work one does. Superior minds are not satisfied with what will pass. They are conscious of meriting more than passing rating and try to make everything they do show it. They are never of the whining variety who are forever complaining of their chances in life. Life to them is a constant opportunity and if they fail it is because they have either been unfortunate or foolish. In either case there is the fine challenge to redeem the time and more than surpass the past. With them it's a matter of pass and surpass. It's a matter of the head and it shows in the deeds of the hands.

Forest Fires

Forest fires in mountainous country are found to be much more numerous and destructive on south slopes than on north, according to the findings of a government investigator who has made an extensive study of the subject. While the difference is not marked at the height of the fire season, the early and late fires favor the sunny side so strongly as to have a decided effect upon the average figures for a period of years. The explanation offered is that the growth of underbrush is much heavier on the south side, encouraging the spread of fire, while the north slopes hold more moisture.—Popular Mechanics Magazine.

Salutation of the Dawn

Listen to the Exhortation of the Dawn! Look to this day! For it is life, the very life of life. In its brief course, lie all the vertices and realities of your existence; the bliss of growth, the glory of action, the splendor of beauty. For yesterday is but a dream and tomorrow only a vision. But today, well lived, makes every yesterday a dream of happiness, and every tomorrow a vision of hope. Look well, therefore, to this day. Such is the Salutation of the Dawn.—From the Sanskrit.

NOTICE OF ANNUAL MEETING

The Annual Meeting of the Stockholders of the Coos Timber Company will be held at the office of the Company, Room 9, First National Bank Building, on Monday, January 10, 1921, at four o'clock, P. M., for the election of Directors for the ensuing year and the transaction of such other business as may properly come before the meeting.

Dated at Coquille, Ore., Dec. 31, 1920.

Leo J. Cary, Secretary.

NOTICE TO CONTRACTORS.

Beaver Slough Dredging Project No. 1

Notice is hereby given that not later than 10 o'clock a. m., January 25, 1921, the County Court will receive bids for the dredging of Beaver Slough as follows: Beginning at the mouth of Beaver Slough on the Coquille River, and following up said slough to a point where it intersects with the section line between Sections 20 and 21, in Township 27, South of Range 13 West, and from said point leaving said slough, and dredging a full and complete channel along said section line due north, a distance of 1550 feet, more or less, to the quarter section corner between said sections 20 and 21, such channel to be not less than 3 feet deep at low water, and to be 24 feet wide. Work to be under the general supervision and direction of the County Roadmaster, and to be completed by the first of April, 1921, and said work to be done in a general way according to the plans and estimates made by D. L. Buckingham for the Port of Bandon and the Coaledo Drainage District, which plans and maps are filed with the County Clerk of Coos County, Oregon. Bids may be submitted either for a lump sum or by yardage or per day. A certified check for 5 per cent of the amount bid must accompany each bid. The County reserves the right to reject any and all bids.

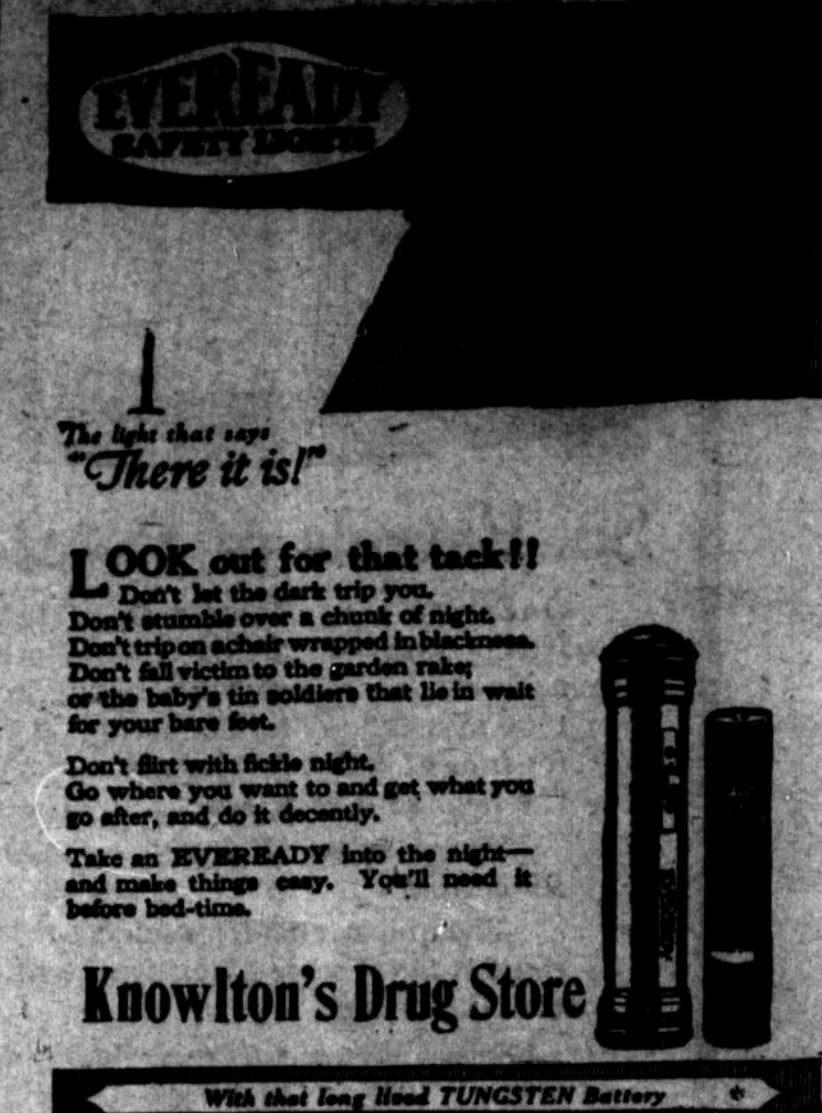

Dated January 5, 1921.

I. F. Bunch, County Clerk, By R. E. Caughron, Deputy.

NOTICE TO CONTRACTORS.

Beaver Slough Dredging Projects Nos. 2 and 3.

Notice is hereby given that not later than 10 o'clock a. m., January 25, 1921, the County Court will receive bids for Beaver Slough Dredging Projects Nos. 2 and 3 as follows:

EVEREADY SAFETY LAMP

The light that says "There it is!"

LOOK out for that tack!

Don't let the dark trip you. Don't stumble over a chunk of night. Don't trip on a chair wrapped in blackness. Don't fall victim to the garden rake; or the baby's tin soldiers that lie in wait for your bare feet.

Don't flirt with fickle night. Go where you want to and get what you go after, and do it decently.

Take an EVEREADY into the night—and make things easy. You'll need it before bed-time.

Knowlton's Drug Store

With that long hood TUNGSTEN Battery

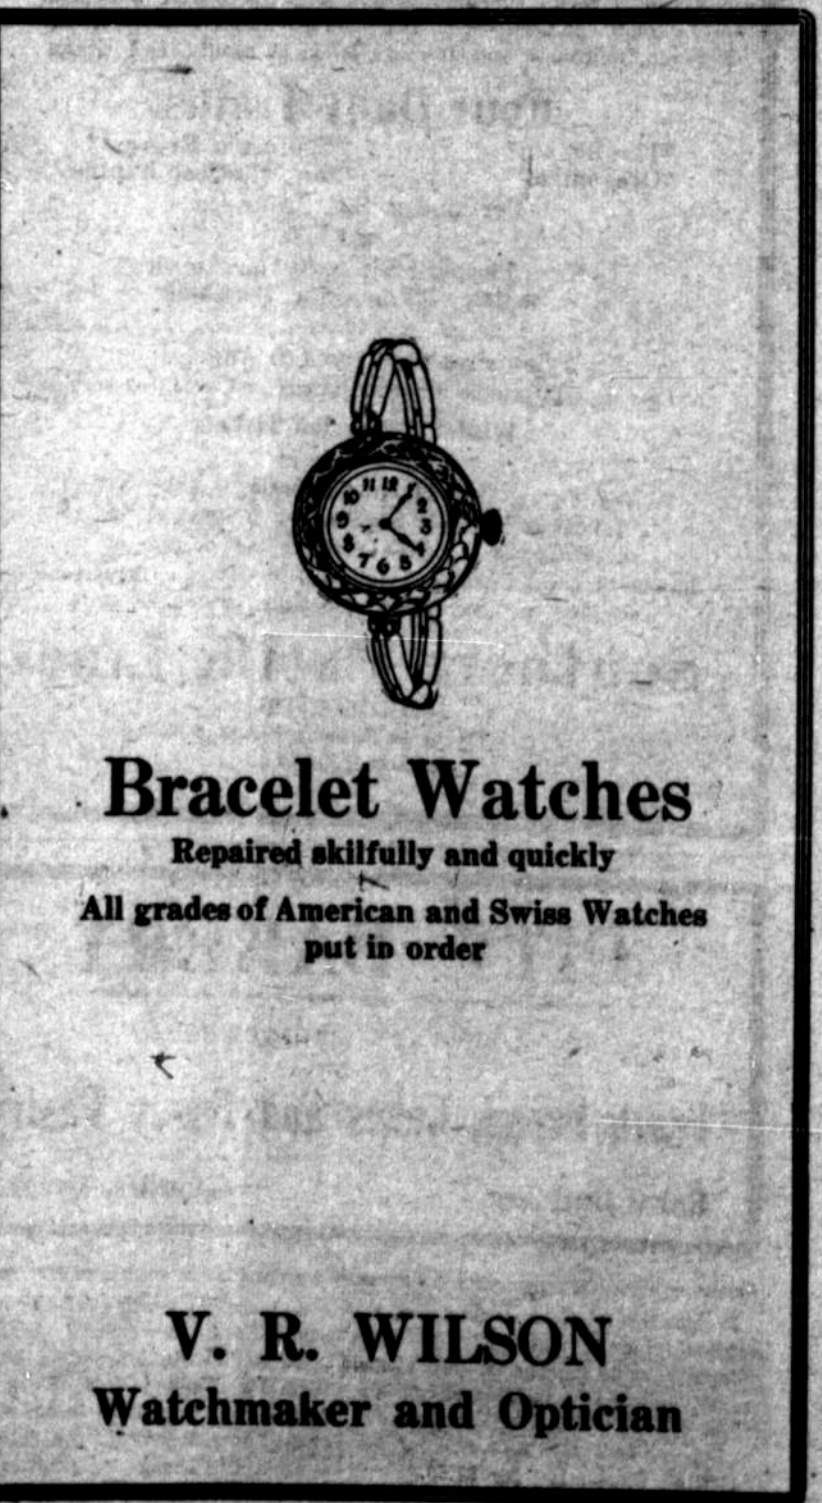

Bids may be made upon Projects Nos. 1, 2 or 3 separately, or Projects 2 and 3 may be joined, but bids upon Project No. 1 shall be made separately. Project No. 2 shall consist of a dike approximately one-half mile in length across Beaver Slough in a general east and west direction on the newly acquired right of way secured for the North Bank Road, and bids therefor shall be by the yard. Project No. 3 will be a dike one-fourth of a mile more or less in length across what is known as "Pitt Marsh," running in a general north and south direction, and is located on the right of way acquired by the County, or the road known as the North Bank Road, the successful bidder to provide his own access of approach for his machinery to this piece of work. The court reserves the right to reject any and all bids. All bids shall be by the yard, and the throwing of the dike shall be under the supervision of the County Court or its duly authorized agents, width and height to be specified as the work progresses. A certified check for 5 per cent of the amount of the bid must accompany each bid.

The Oregon Farmer is still furnished for \$2.15 in connection with the Sentinel, and why its publishers shouldn't ask a dollar or a dollar and a half a year for a paper as good as they furnish, we don't understand.
