Single copies 10c. Annual subscription \$1.

The Cosmopolitan Magazme occupies a posision distinctly its own. While giving great attention to fiction and entertainment—fifty short stories and one or more complete novel appear in its pages each year—it has a definite plan beyond. It may be likened to a great modern university, with a million and a half student-readers. A year's course embraces what is most important in the Scientific field, what is most important in the Scientific field, what is most interesting in Invention and Discovery, what is most entertaining in Travei and adventure, what is most valuable in the World of Business. A portion of each number is edited with reference to the Woman of the Home, and another to the Woman of the Home, and another to the Woman of the Home, and another to the Man of Affairs, covering equally the clerk just starting in lite and the
