Ashland Normal Closes.

A week's festivities in connection with the closing exercises of the Normal were inaugurated last Friday, when the faculty entertained the graduating class at the residence of Benton Bowers, on the Boulevard. The house was tastefully decorated with the colors of the class, red and white, progressive games were enjoyed and a dainty luncheon was served, and a musical and literary program was rendered. The entertainment Tuesday evening in the Opera House under the direction of Miss Stella Case, head of the elocution department, brought forth a large crowd, and was highly entertaining. * * * The program closed with the presentation of the Court scene from "Merchant of Venice." It is commendable that students desire to give their time and energy to something classical, and their rendition of this scene was certainly very creditable. * * * Miss Clare Sherwood sustained the difficult part of Portia in a very satisfactory manner.—(Ashland) Valley Record.

International Convention.

We have received circulars and posters giving notice of the International Convention of Disciples to be held in San Francisco August 17-24, 1905. This body of Christians have grown very rapidly from its origin and their conventions in the east have created much newspaper talk—there being 12,000 seated at the communion table at one time, during the past three years.

This is the first time the convention has come so far west and the Christians or Disciples of the coast region will enjoy this year, that will come to them but once in a lifetime. Several trains have been chartered from the east and will be run as specials to this convention, and surely every minister and members should go. C. A. ...

The 25th of June has been set as Rally Day in the interest of this convention but as the Oregon convention will be in session at that time and all who can will be there. This church will endeavor to hold a rally at a subsequent date in Coquille.

Simpson's Gray Harbor Mill Burned.

A telegram yesterday brought the unwelcome news of the destruction by fire of the Simpson mill at South Bend, Wash. The main mill building and the blacksmith shop were destroyed, the planing mill, lumber yard and other accessories being saved. Capt. Simpson and L. J. Simpson will sail on the tug Columbia for Gray's Harbor today.—Mail.

Cut in Price of Oil.

Independence, Kan., June 17.—The price of Western oil was cut 3 cents a barrel today. The Standard Oil Company is now paying 50c a barrel for high-grade Kansas and Territory oil, and 5c less a barrel for each half-degree gravity under 32 down to 30c a barrel. It was long ago predicted the price of Kansas oil would reach 50c a barrel by reason of the vast overproduction in this field.

Portland the Place.

Portland, June 17.—An invitation was today wired to Washington by the exposition officials and Governor Chamberlain, suggesting that the peace conference be held at Portland, and stating the conditions were ideal. The city is the nearest the seat of war; has trade relations with both countries, and a delightful climate.

Acute Rheumatism

Deep tearing or wrenching pains, occasioned by getting wet through; worse when at rest, or on first moving the limbs and in cold or damp weather, is cured quickly by Ballard's Snow Liniment. Oscar Olson, Gibson City, Ill. writes, Feb. 16, 1902: "A year ago I was troubled with a pain in my back. It soon got so bad I could not bend over. One bottle of Ballard's Snow Liniment cured me." sold by R. S. Knowlton.

COQUILLE DEFEAT NORTH BEND.

Smith's Two Bagger With the Bases Full Wins the Game.

The "Chappies" and their rooters took a little outing to North Bend's back yard and treated them to a Sunday meal of goose-eggs. It was an even game up to the fifth inning, neither side giving an inch, but in this inning it proved to be North Bend's Waterloo. Lorenz' first up was put out on an easy chance to Newell; Cooper flew out to Northup making two out. "Little Mokey" Nevins got a hit and went to third on Peralta's high bouncer to Davis who fielded the ball poorly to McGinniss, who was covering first, Peralta reaching second on the play. Then Hunt and Howard held a little heart to heart talk and agreed to let Streib walk, filling the bases, thinking "Hap" Smith would be an easy out. But it proved to be their Waterloo, as Smith who had been hitting like a demon drove out a pretty two bagger along the third base line, clearing the bases. Again in the eighth inning the locals added another run on little scientific playing. It seemed that after the fifth inning the North Benders lost heart, as it took not only the ginger out of the players but their rooters as well.

"Georgie" Cooper was in grand form and had the North Benders at his mercy, and was given gilt edge support by his team mates. "Cap" Streib carried off the fielding honors, covering the bag "a la LaJoie" style. "Hap" Smith carried off the hitting honors. The one handed catch of Newell was the feature of the game. Being unable to procure the score we give below where the runs were made:

Score by Innings table with columns 1-9 and T, and rows for Coquille and North Bend.

Grandma Robison Laid to Rest.

Mrs. Lucina Robison, nee Lamson, was born in Delaware county, Ohio, April 25, 1819. Her father, John Lamson, died when she was twelve years old. In the spring of 1840, with her mother and one brother, she moved to Missouri. She was married to Samuel L. Robison September 1, 1840. To this happy union were born eight children, two daughters and six sons. Her husband, one daughter and one son preceded her to the spirit world. One daughter, five sons, 34 grandchildren and a great host of relatives and friends are left to mourn the death of "Grandma" Robison, as she was familiarly and lovingly called.

She was converted in early life and for many, many years lived a sincere Christian life, winning the confidence and admiration of those who knew her. She identified herself with Fishtrap class, M. E. church, South, Sept. 4, 1892, in which she lived a faithful member until June 6, 1905, at the home of her daughter, Mrs. W. H. Averill, near Brownsville, Oregon, where she quietly and peacefully fell asleep in Jesus, being 86 years, one month and 11 days old.

A few days before her death, by her request, she was assisted into the parlor where she was present at family worship for the last time. After having the body embalmed it was brought to Roseburg on the train and from there by private conveyance to the old homestead on Fishtrap, Coos county, where on June 12 the funeral was preached to a large and sympathizing audience by Rev. T. P. Haynes, pastor M. E. church, Myrtle Point charge, after which the body was laid to rest in the family cemetery on the hill near by. Mother is gone before to the place prepared for all who love the Lord and will anxiously await the coming of all her loved ones to the better land where there will be no more tears, or sorrows, or pain, or parting, but all will be peace and joy for ever. W. B. S.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know that this disease is, and ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by R. S. Knowlton.
