Governor Chamberlain Coming.

Gov. Geo. E. Chamberlain is expected at Coos Bay on the Alliance this morning and will spend a week or ten days in this section going down as far as Dairyville where he will address the W. O. W. picnic next Saturday.

He will speak at various points in this county as follows:—at Bandon, Saturday; at Coquille, Monday; at Myrtle Point, Tuesday; at Marshfield, Wednesday; at North Bend, Thursday; and, if his time will permit, at Empire Friday.

This is an honor of which the Coos county people should feel proud, and is one not often given to a remote neck of the woods like ours. The inconveniences and discomforts of a trip to this county are such as to discourage a person whose time is so closely occupied as is that of our governor; and one so popular as our own George E. must have a long list of urgent invitations constantly on hand and more numerous than he can possibly accept. So it must require no little effort and self denial on his part to make us this visit and we should see to it that due appreciation is shown him accordingly.

He will make his headquarters while in this place at the law offices of Stanley & Burns and at Dr. Wetmore's residence, and we are reliably informed that he desires to meet as many of our people personally as he can. He has come for the purpose of making our acquaintance.

Saloon License Revoked

A petition from the Law and Order League of Coos county was presented to the council, asking them to cancel all liquor licenses now existing in Coquille. It was moved by Councilman Davenport that said petition be granted and that said license be canceled. The city attorney by request of the council delivered an opinion as to the law in the matter, and J. M. Upton addressed the council on the question in behalf of J. P. Tupper. Upon the question being put, Councilmen Lamb, Schroeder, Burns and Davenport voted "yes" and Councilmen Kerr and Leach "no." The mayor declared the motion carried. It was moved by Councilmen Lamb and seconded by Burns that all unearned portions of the licenses of J. P. Tupper and Baxter Bros. from this date be refunded to them.

It was moved by Kerr and seconded by Leach that said motion be amended as follows: That the unearned portion of the saloon licenses of J. P. Tupper, A. D. Garten and Baxter Bros. from May 8, 1905 and also the \$200 received for a new license from J. P. Tupper on the 23rd day of June, 1905, be refunded to them and that the recorder be instructed to ascertain said amounts in payment of same, motion carried.

There is a move on foot among the farmers of different sections of the county for a farmer's institute. Dr. Witcombe and other well-posted parties will visit Coos county and meetings well doubtless be arranged for. The farmers and dairy people should lose no time in making preparations to take advantage of the opportunity such meetings would afford. Subjects of various kinds will be handled in a scientific manner which will be exceedingly instructive in nature and should not be missed by any of our ranchers. Full information and programs will be out in due time.

Teachers' Examination.

Notice is hereby given that the county superintendent of Coos county will hold the regular examination of applicants for state and county papers, at the courthouse in Coquille, as follows:

To His Most Exalted Highness, the Grand Orient and His Noble Knights: Zeus and his Olympian Champions send greeting, desiring that your countenances may never become less grotesque.

The gauntlet is cast into the gladiatorial ring at your feet and we defy you to pick it up. We bid you select nine of your most powerful and unvanquished knights to meet a like number of the Sons of Osiris on the Olympian field, on the twelfth day of the month of His Imperial Highness the Great Augustus.

Therefore take heed and look well to your laurels, for the mighty Ajax is enlisted in our cause.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by R. S. Knowlton.
