Herbine

Renders the bile more fluid and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink G. L. Crldwell, Agt. M. K. and T. R. R., Checotah, Ind. Ter., writes, April 18, 1903: I was sick for over two years with enlargement of the liver and spleen. The doctors didme no good, and I had given uw all all hope of being cured, when my drugist advised me to use Herbine. It has made me sound and well, 50c. Sold by R. S. Knowlton.

R. Robertson, of the firm of R. Robertson & Co., cheese manufactures of Tillamook county, who spent several days in Coos county lately, closed a deal by which his company takes immediate possession of the Norway creamery heretofore conducted by Carl Bros., and will at once proceed with the manufacture of the high grade cheese for which the company is noted all along the coast—in fact, in the markets of the outside world. We have just received a letter from Mr. Robinson in which among other things, he says: "I am very favorably impressed with the importance of this county as a dairying section, and am more than pleased with the evidence of thrift so noticeable among the farmers. It is my intention to do what I can to help bring this county up to the high position now occupied by Tillamook as a cheese-producing center. I find the soil and grasses here peculiarly adapted for milk that will make a high grade cheese that will compete with cheese from any section of the eastern states, and having spent 30 years of practical work in the cheese business of the east, and three years here on the coast, I feel qualified to make the asertion, and a very few short years will, if the farmers of the county do their part, prove that the wealth of Coos county lies in the evergreen grasses of its valleys."

Prof. Louis M. Worrel, of Kelson, Wash., has been engaged as Principal of the Bandon school, and is expected to move here immediately and make this place his home. Miss Pearl Walker will take the primary room, Miss Bertha Wilkins will be installed in the intermediate department, and Miss Annie Waldvogel will take the third room. The assistant teacher has not yet been engaged. School is expected to open on Sept. 18.—Bandon Recorder.

Mrs. E. E. Dickson, of Eckley, returned from Marshfield one day last week where she had accompanied her daughter, Mrs. George Hall and her husband on their way to Portland, where they go to take in the fair. It is probable they will locate elsewhere instead of coming back to Coos.

L. C. Potter, a Marion county dairyman, arrived here Wednesday and spent several days in this valley looking for a favorable opportunity to rent a good dairy farm.

FOR SALE.—One acre tract in nice location with house and barn; 100 young fruit trees. Enquire at HERALD office.
