The chief feature of the day was a game of baseball between the Myrtle Point team, Arago and the Bandon club. The beach drew the greater part os the crowd but all spent a very enjoyable time and voted the trip a great success.

Of Interest.

Editor HERALD.—I have been interviewed many times since locating here in regard to the medical properties of "Liquozine." Please give these few lines space in your valuable paper. "Liquozine" is a remedy that should not be taken internally, it being very poisonous to the internal organs. June 22, 1905, order No. 49 was sent out from headquarters at San Francisco ordering its sale or exposure for sale or giving it away by any druggist a misdemeanor, unless two pasters are put on every package or bottle, first paster to read "Poison" and second, "For external use only."

J. D. WETMORE, M. D.

Echo Wrecked.

The steamer Echo with a goodly number of passengers and considerable freight left Coquille Monday on its regular trip to Myrtle Point when withih a half mile of the starting point a snag was struck making a good sized hole in the boat. Immediately consternation prevailed among the passengers and crew but soon as the captain saw she wasbound to sink she was run into the bank and passengers and freight speedily sent ashore. The boat was discovered to be rapidly filling with water and soon after the last passenger was safely landed she sank. It is thought the damage can be repaired in a few days and the boat placed on her regular run.

"The Oregon Booster."

The above is the title of a publication recently established in Portland, and which is doing a great work in the advancement of the best interests of our state in a general way. Two representitives, J. M. Shawhan and J. C. Dawson, who are two of the proprietors of the paper, paid Coos county a visit last week and are now preparing a write-up for this section of the state. Judging from other additions we have seen, we feel confident that Coos will get a send-off of which we may all feel proud. These gentleman were highly elated over our prospects and advantages, and see in a moment that they will not have to draw on their imaginations to be able to say some good things about us. They are gathering up some fine photos which will be used in illustrating the edition. They succeeded in securing several subscriptions while in town.

Coquille Public Schools.

The Coquille public schools will open Monday Sept, 11th at 9 o'clock a. m. It is very essential that all pupils be present on the opening day so that they may be assigned to their proper classes. Parents are urged to co-operate with the teachers in securing a good attendance at the beginning of the term. A few weeks' delay in starting retards a pupil's progress during the entire year. It is hoped that all who graduated from the city schools in June and that many who graduated from the rural schools will be on hand to take up the work of the ninth grade. An especial effort will be made to strengthen the High School and a practical course is promised. A practical course in commercial bookkeeping will be introduced.

All pupils should bring their report cards or promotion certificates on the opening day. New pupils should call at the Principal's office for classification Saturday, Sept. 9th, between 10 and 12 o'clock. Books and supplies should not be purchased until after consultation with teachers.

Teachers' meeting Saturday Sept, 9th, at 2 o'clock p. m.

J. PERCY WELLS,
Principal.

I have 40,500 shingles that I will deliver on the bank of the river for $1.90 per thousand. H. L. COOPER Arago, Oreg.

Hay Baling.

Roy Stevens, of Myrtle Point, the hay baling man, is prepared to answer calls on any kind of notice. Anyone needing hay baled will do well to give him a call.

Sanford's Bargains
