## Death of Little Dorothy Meroen.

DIED.—At the home of O. S. Coleman, of a complication of diseases, Dorothy Ann, infant daughter of Mr. and Mrs. E. A. Meroen.

Little Dorothy was nearly ten months at the time of her death. She suffered intensely for three weeks. Everything was done for her that kind hands and loving hearts could do. At one time the disease seemed to be checked. She improved quite rapidly and all felt certain that she would recover, but an abscess formed in her throat, and, breaking inside, was the immediate cause of her death. She died Wednesday, Nov. 1, and was buried on Thursday. A host of sympathizing friends attended the funeral service which was held in the United Brethren church at Gravel Ford.

Words of comfort were spoken by the writer, pointing the sorrowing parents to the resurrection when they should meet their little one again. Elder W. L. Black, and Pastor Smith of the U. B. church, assisted in the service. The little grave was covered with beautiful flowers, a token of loving remembrance by sympathizing friends.

## No Poison in Chamberlain's Cough Remedy.

From Napier New Zealand Herald. Two years ago the Pharmacy Board of New South Wales, Australia, had an analysis made of all the cough medicines that were sold in that market. Out of the entire list they found only one that they declared was entirely free from all poisons. This exception was Chamberlain's Cough Remedy, made by the Chamberlain Medicine Company, Des Moines, Iowa, U. S. A. The absence of all narcotics makes this remedy the safest and best that can be had; and it is with a feeling of security that any mother can give it to her little ones.
