Sick Headache

This distressing ailment results from a disordered condition of the stomach. All that is needed to effect a cure is a dose or two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off, or greatly lessened in severity, by taking a dose of these Tablets as soon as the first symptom of an attack appears. Sold by R. S. Knowlton.

Itch—Ringworm.

E. T. Lucas, Wingo, Ky., writes, April 25, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable; I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Lintiment cured me completely and permanently. Since then I have used the lintiment on two separate occasions for ringworm and it cured completely. 25c, 50c, and \$1.00. Sold by R. S. Knowlton.

In Memory of Binger Bunch

Farewell, dear and gentle Binger. Thou hast crossed the swelling tide; Rade farewell to friends and kindred, But we'll meet on Jordan's side. We will miss thy face, dear Binger, And thy voice which cheered all When we gathered 'round thy bedside Ere you heard the Angels call.

How we'll miss thee, gentle Binger, When our evening's work is done, And we gather 'round the fireside. At the setting of the sun. 'Round thy grave we linger, Binger, 'Twas so hard to part with thee, And our home will be so lonely Since you've crossed death's silent sea.

In our home one chair is vacant, Thy loved form we see no more, But we hope to meet thee, Binger, Over on the golden shore. May thy rest be sweet and peaceful Where the violets sadly weep, While above thy grave, dear Binger, Shining stars their vigil keep. I. C. H.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for Consumption, Coughs and Colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people, who seek to profit, through stealing the reputation of remedies which have been successfully curing disease, for over 35 years. A sure protection, to you, is our name on the wrapper. Look for it, on all Dr. King's, or Bucklen's remedies, as all others are mere imitations. H. E. BUCKLIN & CO., Chicago, Ill., and Windsor, Canada. B. S. Knowlton.

FOR SALE.

A one-fourth interest in the equipment of the Coquille Steamboat Co., consisting of the steamers Dispatch and Favorite, and three barges. Inquire of Capt. T. D. White, Bandon.

Startling But True.

People the world over were horrified on learning of the burning of a Chicago theater in which nearly six hundred people lost their lives, yet more than five times this number or over 3,000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Every one of these cases could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have warded it off by the use of this remedy. The following is an instance of this: "Too much cannot be said in favor of Chamberlain's Cough Remedy, especially for colds and influenza. I know that it cured my daughter, Laura, of a severe cold, and I believe it saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York, Sold by R. S. Knowlton.
