**The Woman's Study Club.**

The Study Club devotes one afternoon each month to a glimpse at other peoples and their customs, which is found to be both instructive and entertaining. Saturday was "Travel" day, China being the country studied. As the chairman of the Department of Travel, Mrs. D. Morgan, was not present, the president of the Club, Miss Beamis took charge of the programme. The papers given under the various topics were well written, showing considerable research on the following subjects: The Chinese Government, Miss Beamis; The Topography of China, Mrs. Cody. Recitation, "A Chinese Gingle," Elsa Peoples, she was daintily dressed in native costume to represent Madam Butterfly. The History of China, Miss Inez Lusk; Chinese Industries, Mrs. Sinclair; Their Literature, Mrs. Lawrence and Miss Dudley; Their Social Customs, Mrs. Hawkins, and Mrs. F. Belloni; Chinese Music, Mrs. Sperry; a solo, "The Lady Picking Mulberries," Mrs. Tyrrell, accompanied by Mrs. Sperry; Religion and Art, Mrs. Candlin; a reading, "Plain Language from Truthful James," by Bret Hart, Miss Lusk. Mrs. Peoples furnished the refreshments, which were served by young ladies in Chinese costume. The meeting was held at the home of Mrs. E. D. Sperry, and the rooms were made attractive by the use of Chinese flags, fans, and other appropriate decorations. There were a number of visitors present, and all enjoyed the collection of relics loaned for the occasion by members of the Club and their friends, for which the Club extends thanks to all.
