P. Campbell the sum of \$250 and interest thereon at the rate of 8 per cent per annum since January 30th, 1904, on the promissory note in complaint set forth, for an attorney fee of \$50, and for his costs and disbursements in this suit.

The Mt. Scott News, of Arleta, has the following strong editorial endorsement of H. M. Calko, of Portland, in its issue of March 29.

"While you are enthusing for Statement No. 1, don't forget that H. M. Calko stands squarely for popular election of senators, for strict adherence to Chinese exclusion, and for Oregon, first, last and forever,—not a bad combination from which to build a mighty good senator. It is the measure first, then the man, so far as Statement No. 1 goes, but Mr. Calko's outspoken position forestalls any monopoly of the issue as will doubtless be shown as time goes on."
