Don't tie a cough or a cold up in your system by taking a remedy that binds the bowels. Take Kennedy's Laxative Honey and Tar. It is different from all other cough syrups. It is better. It opens the bowels—expels all cold from the system, relieves coughs, colds, croup, whooping cough, etc. Children like it. Sold by R. S. Knowlton.

We have received from W. C. Lewis of West Sound, Washington, a Yellow Newtown Pippin of the crop of 1904. Mr. Lewis writes: "It has had no special care. When clearing out the apple house last fall I laid it upon a beam to see how long it would keep. Who can beat it?" The apple when received, April 23rd, was just beginning to show decay on one side. It had shrunk to perhaps one-half of its original size but was in edible condition. It attests the long-keeping qualities of properly grown apples, raised on the islands of Puget Sound.—Oregon Agriculturist.

Chamberlain's Cough Remedy the Very Best. "I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best, as it will cure a cough in less time than any other treatment. Bryan Abroad.

W. J. Bryan will write a series of letters while on his two-year tour of foreign lands. These letters will appear once a week in a select list of the leading American daily newspapers, among which is the Journal. The Bryan letters in the Sunday Journal will make clear the point of view of foreign countries on many of the questions which now confront us.

Few men are better qualified to treat large questions in a large way than Mr. Bryan, and no one who wishes to keep abreast of the times can afford to miss these letters.

The Sunday Journal is a great newspaper, filled with "good things." With its beautiful color supplements, its cartoonists like Oppen, Swinnerton, Sullivan, Howarth and others of like renown; with its special staff of famous writers, including such stars as Ella Wheeler Wilcox, Mrs. John A. Logan, Mrs. Osborne, Mrs. Henry Symes, Lady Henry Somerset, Beatrice Fairfax, Max Nordeau, Maurice Maeterlinck, Count Tolstoy, Prof. Garrett P. Serviss, and humorous sketches by George V. Hobart (Dinkelspiel), Wex Jones, William F. Kirk and others, and with all the world's news by leased wire, and the home news, The Sunday Journal is a thoroughly representative newspaper.

The Journal is "the paper of the multitude," in sympathy with and pledged to the cause of the masses of mankind—of "equal rights to all"—a square deal.

A Good Suggestion.

Mr. C. B. Wainwright of Lemon City, Ala., had written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by R. S. Knowlton.
