Terrific Race With Death

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., described his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, today I am cured of all my troubles." Guaranteed at R. S. Knowlton's drug store; price 50c.

The Closing of Our Schools

Our school closed last week after an exceedingly well-regulated and progressive term of nine months, under the tutorage of Prof. J Percy Wells, Miss Ellen N. Beamis, Miss Lucy Newland, Miss Grace Dudley, Mrs. T. Wootten, Miss Inez Lusk, Mrs. J. A. Yoakam, and Miss Fanny Getty. An entertainment was given Friday at which a small admission was charged which raised a fund with which to defray the expenses of the other exercises. On Saturday evening the 8th grade graduating exercises took place which was attended by about all who could find room in the hall. The exercises were highly appreciated by all attending, being participated in by most of the graduates. There were sixteen in the class, all of whom their parents, teacher and friends are very proud. Too much praise cannot be given to Miss Beamis, the teacher, for her untiring efforts in behalf of the class and for the splendidly arranged program.

On Monday evening the High School gave their graduating exercises when the Hall was again filled to its utmost seating capacity. The program was well rendered and highly appreciated by all. This is the first High School graduation in our school. The class consisted of five members as follows: Esther Johnson, Cella Webb, Emma Sherwood, Kennett Lawrence and Reta Johnson. The Hall was very tastefully decorated and Hon. B. F. Mulkey, president of the Ashland State Normal School was present and made a grand talk to these young people which was highly appreciated by the large audience. School Director R. S. Knowlton presented the diplomas on both occasions. Flowers without stint were in evidence both evenings as an evidence of the appreciation of their efforts by their many friends.

A Positive Necessity.

Having to lay upon my bed for 14 days from a severely bruised leg, I only found relief when I used a bottle of Ballard's Snow Liniment. I can cheerfully recommend it as the best medicine ever sent to the afflicted. It has now become a positive necessity upon myself.
