WEDNESDAY, JUNE 6, 1906.

The Election.

The election is over and while we have not yet gotten the complete returns, we have figures at hand which justify us in saying that the following are elected:

- Representative, W. C. Chase.
- Joint Representative, Ed Rackleff.
- Judge, J. T. Hall.
- Clerk, James Watson.
- Sheriff, very close.
- Treasurer, J. B. Duley.
- Commissioner, close.
- Surveyor, close.
- Coroner, E. Mingus.
- Coquille Justice Dist.
- Justice of the Peace, E. G. D. Holden.

Constable, J. E. Perrott. From the best information obtainable, Sheriff, Commissioner and Surveyor are so close that the official count will be required to settle the matter, while the indications are that Equal Suffrage is ahead, while prohibition is lost.

One of the biggest schemes for advertising Oregon has been undertaken in Portland by Philip S. Bates publisher of Oregon's great agricultural monthly the Pacific Northwest. The proposition is nothing less than the taking of 33 young ladies, one each county of the state to the Jamestown Exposition which will open May 15th at Jamestown, Virginia. The Exposition is to commemorate the first settlement of the English in the United States which took place in 1907. This historical event in the history of our country is one which gives opportunity for a wonderful exploitation of the great strides which have taken place in the past 300 years and the Jamestown Exposition, from an educational standpoint, will no doubt prove an exceptional undertaking along these lines. One farmers' daughter from each county in Oregon will be taken by Mr. Bates. She will carry a large amount of literature for general distribution along the lines of travel which is elected our Board of Trade will furnish. The method of choosing our candidate rests wholly with the farmers' daughters of our county. They are all entitled to compete for the honor. It is a simple proposition depending on the number of subscriptions sent in by the candidates. The cost of the paper is 50 cents a year and from our knowledge is fully worth a dollar. All expenses will be paid and the estimated cost of the trip is over \$10,000. It will prove a wonderful advertisement for us and we trust his efforts to make Oregon better known throughout the United States will receive the support of every one in our county.

R. R. Robinson, who is a large cheese dealer in Tillamook and Coos counties, has been quietly collecting evidence relating to some malicious rumors that have been set afloat by interested parties concerning his business standing for the purpose of injuring him and giving his patrons a false impression. Mr. Robinson is well known in Tillamook where the factory men are dealing with him in thousands of dollars worth of cheese every week, and where these rumors cannot do him any injury. But he is reaching out for more business where he is not as well known, and the stories being circulated are intended to injure him in these localities. Mr. Robinson is now in a position to make it extremely interesting for one or two parties (they do not reside in Coos county) and does not intend to do any bluffing, but will strike home to the right spot. In the meantime the milk men will get their cheeks on time every month. Following is a list of factory men, of Tillamook county, who may be referred to personally: B O Snuffer, Tillamook; Valley Cream Co, Tillamook; John Pennock, Hebo; A W Bunn, Beaver, 2 factories; Jas Atkinson, Sand Lake; W D Gladwill, Beaver; Mrs. Roenick, Woods; Long Prairie Brick Cheese factory and occasional lots from several others.

Intending buyers of lumber, or anything in the general merchandise line as for that matter, should remember that the Coquille Mill and Mercantile Co. can supply the same at lowest going prices. A good lot of cull lumber at the Coquille mill at \$4.50 per thousand.

Jos. G. Coyan, state organizer for the Woodman of the World, who two years ago assisted F. B. Tichenor conduct a Woodman campaign in Coos county, is here again in the interest of that order and we hope to be able to report a grand log rolling in the near future. He went to Myrtle Point Monday.

Obituary.

William W. Tension, son of T. L. and M. A. Tension, was born near Coquille City, Coos county, Oregon, March 23, 1883, and died at his father's home in Coquille City, May 28, 1906, aged 23 years, 2 months and 5 days.

Willie was a good boy. He lived an innocent life and was loved by all who knew him. He was a faithful attendant at church, and was a strong believer in the Bible as far as he could comprehend it. He was a sufferer for some time with lung trouble but bore it all patiently, and when the end came he was ready to go, and some of his last words were, "Peace has come," which expresses to us the grand relation he sustained to God. It is evident the atonement of Jesus brought this blessing to him, his body fell asleep in Jesus, his soul has gone to be with God and the angels, which is far better than to be in this world.

Willie will be missed greatly by the members of the family and friends. He leaves a father, T. L. Tension, and mother, M. A. Tension, three brothers, Thomas, Mack and Archie, two sisters, Pearl Goodman and Ealie Tension. They were all at his bed side when death came. His sorrow greatly but not as those who will have no hope, for there is a home where all will meet, if faithful, to part no more.

May the Lord bless and comfort the bereaved family, and bring them all to praise God in heaven. The funeral services were held in the M. E. church, South, conducted by Rev. H. M. Branham, and the remains were laid to rest in the Masonic cemetery, to await the final resurrection.

That Tired Feeling.
If you are languid, depressed, incapable for work, it indicates that your liver is out of order. Herbine will assist nature to throw off headaches, rheumatism and ailments akin to nervousness and restore the energies and vitality of sound and perfect health. J. J. Just What Everyone Should Do.
Mr. J. T. Barber of Irwinville, Ga., always keeps a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy at hand ready for instant use. Attacks of colic, cholera morbus and diarrhoea come on so suddenly that there is no time to hunt a doctor or go to the store for medicine. Mr. Barber says: "I have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used." Sold by R. S. Knowlton.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by R. S. Knowlton.
