Mr. and Mrs. Schiller B. Hermann who have made Myrtle Point their home during the past thirteen years left for Marshfield Wednesday morning and will take a boat for Portland, from thence leaving for the east where they expect to reside. Charles Page accompanied them. They will go over the Canadian Pacific, which route was traveled by Mr. Hermann fifteen years ago and he expects to note many changes. They will stop at Montreal and from there will go to Boston where Mrs. Hermann will take a post-graduate course in music at the well known conservatory, making her temporary home at Chelsea, across the bay. From Boston Mr. Hermann will go to New York and thence to Cairo, W. Va., which is situated on the Kanawha river in a region famous for its coal and oil production. He will there take the management of the Greer Hardware and Supply Company, a wholesale and retail corporation, a responsible position for which his years of experience have well fitted him. Mr. Greer, lately deceased, was an old-time and very close friend of Mr. Hermann, their intimacy springing from a college acquaintanceship. They traveled over the country together, with varying fortunes and many experiences, and Mr. Greer visited here at one time. It was Mr. Greer's dying request that his friend be notified of his death. Since his arrival in Myrtle Point Mr. Hermann has been a large factor in the development of this city and his departure means that a large loss has been sustained by the community. He retains an abiding love, however, for Coos county and the coast, and is still interested in much property here so that he may some day return and make this the scene of his future labors. Both Mr. and Mrs. Hermann were important factors in Myrtle Point society and their loss will be keenly felt by a large number of friends who will hope for their early return.—Enterprise.
