(Continued next week.)
Myrtle Point Jottings.
Among the recent happenings at
our town, I noted the following:
Chas. Endicott son of S. Endi-
cott was taken to Marshfield on
Saturday, the 21st, to be operated
on for appendicitis. Homer Leep
second son of Dr. Leep is just re-
covering from the same complaint.
Miss Letta Cooper who has been
teaching the Rackliff school for the
past three months closed the school
last Friday, the children will have a
vacation.
Mr. J. R. Benson has a crew of
men placing the foundation for a
large new residence.
E. F. Davenport made a business
trip to Roseburg leaving last Wed-
nesday. He has purchased the
residence of Mr. Hartley on the
railroad here, which was erected
two years ago. Mr. Hartley and
family will return to their ranch on
the South Fork.
Miss Mable Van DeCarr and her
friend Miss Mildred Wilson who
are living in Portland came in on
Saturday for a weeks visit with
friends in town.
Mrs. Wm. Davis and two children
who has been spending the past two
months visiting friends at Santa
Barbara and other Southern Cali-
fornia places, returned the 21st.
Fred Chapman of Humboldt
county California, who was in busi-
ness with Bert Davenport, sold his
interest to his partner and went
back to California on the last boat.
The entertainment given by the
members of the Presbyterian church
at Benson Hall on Saturday even-
ing was largely attended and a de-
cided success. Miss Violet Arring-
ton sang a song of her own compos-
ing, very nicely. It is entitled "I

Loved Not Wisely But Too Well"
Mrs. James Arrington and little
daughter Hazel are on a visit to re-
latives at Marshfield.
Mrs. L. Travers returned to her
Myrtle Point home on Friday to
arrange for their removal to Marsh-
field immediately, Mr. Travers is
already located there and in busi-
ness.
The Latter Day Saints hold a
camp meeting and reunion in
Dixon's grove to last ten days begin-
ning the 27th inst.
Friends of Mrs. Marion Walker
were shocked to learn of her sud-
den demise at Alameda California
the 17th inst. She was on her way
home in company with Mrs. Dixon,
when she was stricken. No particu-
lars at this writing.
Her son Allen will meet the re-
mains at Roseburg and have them in-
terred beside those of her late hus-
band W. H. Walker who preceded
her nearly three years ago.
For the past two years Mrs.
Walker has been traveling, visiting
at many places from Alaska to
Southern California, having spent
most of the winter with her only
sister, at Los Angeles. Her loss
will be mourned by a legion of re-
latives and friends.

A Warning to Mothers
Too much care cannot be used
with small children during the hot
weather of the summer months to
guard against bowel troubles. As
a rule it is only necessary to give
the child a dose of castor oil to cor-
rect any disorder of the bowels. Do
not use any substitute, but give the
old-fashioned castor oil, and see
that it is fresh, as rancid oil nausea-
tes and has a tendency to gripe.
If this does not check the bowels
give Chamberlain's Colic, Cholera
and Diarrhoea Remedy and then
a dose of castor oil, and the disease
may be checked in its incipency
and all danger avoid bed. The
castor oil and this remedy should
be procured at once and kept ready
for instant use as soon as the first
indication of any bowel trouble ap-
pears. This is the most successful
treatment known and may be re-
lied upon with implicit confi-
dence even in cases of cholera in-
fantum. For sale by R. S. Knowl-
ton.

Herbine
Renders the bile more fluid and
thus helps the blood to flow; it af-
fords prompt relief from biliousness,
indigestion, sick and nervous head-
aches, and over-indulgence in food
and drink.
G. L. Caldwell, Agt. M K and T
R. R., Checotah, Ind. Te r, writes,
April 13, 1903; "I was sick for
over two years with enlargement of
the liver and spleen. The doctors
did me no good, and I had given
up all hopes of being cured, when
my druggist advised me to use Her-
bine. It has made me sound and
well." 50c. sold by R. S. Knowlton.
