Johnson and Bernetta Dorris, who "footed it" from Sumner, Coos county, to this city, a distance of about 65 miles, making the trip in three days time with ease. They made their old-time friend, Mrs. R. W. Marsters, of West Roseburg a visit and then proceeded on their way to Eugene, for a short stay and then they will return and perhaps repeat the experiment, thus saving the stage bill. The ladies are up and are taking a little vacation in this manner. Umpqua Valley News.

A Judicious Inquiry. A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed.
