In Memoriam.

Whereas, In view of the loss we have sustained as a Sunday-school by the decease of our sister, Ruby Robinson, and of the still deeper grief of those who were nearest and dearest to her; therefore be it, Resolved, That we desiring to pay a merited tribute to the memory of the departed, and lamenting her removal from our midst hereby express our sorrow for the loss of one who was in every way worthy of our respect and esteem.

Resolved, That we sincerely condole, with the bereaved father, brothers and little sister of the deceased and extend to them our warmest sympathies and profound regret, commending them for consolation to Him who orders all things for the best and whose chastisements are meant in mercy.

Resolved, That this heartfelt testimonial be read in the Sunday-school, also that a copy be sent to the bereaved family, and one to the home paper for publication.

GRACE SMITH,

Committee on Resolutions.

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is so widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by R. S. Knowlton.

FOR SALE.—Three fine young milchcows and a lot of large hogs. Inquire of K. Holverson, on the McAdams place.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has often heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably recommended Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by R. S. Knowlton.

Plans to Get Rich

are often frustrated by sudden breaking down, due to dyspepsia or constipation. Brace up and take Dr. King's New Life Pills. They take out the materials which are clogging your energies, and give you a new start. Cure headache and dizziness too. At R. S. Knowlton's drug store; 25c. guaranteed.

If you want a shoe for your children that wears and has some style about it, get the Buster Brown shoe at Robinson's.

A Big Bargain in a Nice Home.

How to Cure Corns and Bunions.

First, soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by R. S. Knowlton.

Saved His Life.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two fifty cent bottles cured me sound and well. It is a wonderful medicine and I recommend it to suffering humanity. Sold by R. S. Knowlton.
