O. Wilson & Co. have received their full line of spring and summer goods.

E. A. McDuffee, the painter, assisted by the Ford boys, are busily engaged painting the Masonic Hall. This will give that building a much better appearance which will be appreciated by all.

FOR SALE. Fine Jersey bull, entitled to registration, 3 years old Enquire of E. Burgess' Lamps.

Messrs Dean & Pratt, the Marshfield photographers, came over Thursday and are taking negatives of many points of interest in the Coquille valley and will be able to furnish some fine views in a few days. They went to the lower river first.

W. T. Kerr carries the Stillson & Kellogg logger shoes—best on earth—and every pair is guaranteed.

Mr. and Mrs. A. L. Brainard, of Portland, arrived here last week, coming in overland by their own team. While they admire our beautiful scenery, fine forests and splendid dairy farms, etc., our miserable excuses for roads do not meet their approval.

Riverton Pickups

The gasoline schooner Monterey took a cargo of lumber from the mill wharf last week.

The mill is now shut down a waiting repairs of one of the engines.

We are informed that J. H. Timon of Lampa, has taken 3 other gentlemen as partners in his coal mine. The result will be the sinking of a slope not less than 300 feet. We wish them success in their undertaking.

A representative, of the Pacific States Telephone Co, spent a day in our town. He informed us that his company would put in a telephone line from Coquille connecting Riverton, Lampa, Parkersburg, and Bandon. He said work would commence very soon.

The people of Riverton are making arrangements for a grand celebration on the 4th of July.

What is the trouble in the Bear creek road district, that the wagon road over the mountain is not replaced by one passing around the foot hills? The road over the Bear creek mountain is a disgrace to Coos county, in-as-much as we can travel over the roads any place within a radius of 50 miles and not find as difficult to get over with a load as that is all in favor of better roads. Push that project along.

\$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80
Regular Price \$12.80
To introduce you a Sample Pair for Only \$4.80 (Cash with order \$8.50)
NO MORE TROUBLE FROM PUNCTURES.
Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS.
Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.
Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.
DESCRIPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "holding back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all friction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.
We will allow a cash discount of 5 per cent (thereby making the price \$4.56 per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. We will also send you one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.
We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.
COASTER-BRAKES, built-up wheels, saddles, pedals, parts and repairs, and everything in the bicycle line sold by us at half the usual prices charged by dealers and repair men. Write for our big SUNDRY catalogue.
DO NOT WAIT to write us a postal today. **DO NOT THINK** of BUYING a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it NOW.
