Excerpts from Game Law.

Deer may be hunted in every county in the state from July 15 to October 31, except Coos, Curry, Grant, Harney, Malheur, Baker, Umatilla, Union and Wallawa. Owing to different conditions in these counties separate seasons prevail and the game laws are the same as before as to season. Following is the amendment to the game laws:

"It shall be unlawful at any time between the first day of November of each year and the fifteenth day of July of the following year to hunt, pursue, take, kill, injure, destroy or have in possession any buck deer. It shall be unlawful at any time between the first day of November of each year and the first day of September of the following year to hunt, pursue, take, kill, injure, destroy or have in possession any female deer; provided, that the foregoing part of this section shall not apply to the counties of Coos, Curry, Grant, Harney, Malheur, Baker, Umatilla, Union and Wallawa.

"It shall be unlawful at any time within the state of Oregon between one hour after sunset and one-half hour before sunrise of any day of any year to hunt, pursue, take, kill, injure or destroy any deer, and it shall be unlawful for any person to take, capture, kill or destroy in any open season more than five deer. It shall be unlawful within the state of Oregon at any time to sell or offer for sale, barter or exchange any deer whatever.

"Any person killing any deer being pursued by dogs, at any time, or having in possession any deer or carcass, or part of a deer, during the season when it is unlawful to take or kill such deer, shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined not less than \$50 nor more than 200; * * * provided, that in the counties of Coos and Curry it shall be unlawful, at any time, to hunt any deer with dog or dogs with intent to kill or injure such deer, and owner or person having charge or control of any dog or dogs found running or pursuing any deer, shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished as hereinbefore provided in this act.

"It shall be unlawful at any time within the counties of Coos and Curry, to hunt, pursue, take, kill, injure, destroy or have in possession any female deer; and it shall be unlawful within the counties of Coos and Curry, at any time between the fifteenth day of October of each year and the fifteenth day of July of the following year, to hunt, kill, injure, destroy or have in possession any buck deer. Any justice of the peace in the county in which the offense is committed shall have concurrent jurisdiction of all prosecutions instituted under the provisions of this act."

A considerable change is taking place as to the ownership and management of the steamer line plying between this city and Bandon, Capt. C. J. McLean, late of Portland having purchased the interests of Dave Perkins. H. G. Stratton, of Portland and F. A. Smith, of St. Johns, will also become interested, and a corporation is being formed with a capital stock of \$50,000. There are certain improvements contemplated that, when carried out, will give this route a line of steamers of which we may feel proud and the traveling public will greatly appreciate. New boilers will be ordered for the Dispatch and Liberty, which will greatly increase their speed, and the one in the Liberty, which is new will be used in a new hull in which the engine of the Antelope will be installed. This will give them a fleet of five steamers, all in first-class condition.

It is said that Mayor Schmitz, of San Francisco, has remarked that he will be more careful in the future of the company he keeps. It begins to look to us as though he may not have the choosing of his company for the next five years, nor even the cut or stripe of the clothes he wears.

The Coos County Fair Association is being organized for the purpose holding a fair each year in this valley. The Arago grounds and track have been leased for a period of five years. We will be able to give a good report next week.

The regular meeting of the Coos and Curry County Medical Society was held Wednesday afternoon, July 10th at the Western Oregon General Hospital. Papers were read and current topics of interest to the medical profession were discussed by all the members, after which a dinner was served which was appreciated and must have taxed the resources of the county.

The aim of the society is for the general advancement of the medical profession and for the betterment of general health conditions. All doctors of good professional standing are eligible for membership. This society is the seventh county Medical Society organized in the state, and has a present membership of twelve.
