### Educational League Meets.

The first meeting of the Coquille Educational League for the present school year took place at the school house on Friday afternoon at the usual hour and a good attendance was present. Mr. Dodge who had been booked for an address was unable to be present, and Hon. C. A. Sehlbrede, of Marshfield, was prevailed upon to fill the place.

Following is the program: Song, America, by League. Piano Solo, Esther Johnson.

Reading, Mrs. B. Figg. Recitation, Olive Howey. Vocal Solo, Grace Dudley. Address, Judge C. A. Sehlbrede. Vocal Solo, Mrs. Chas. Moomaw. Reading, Miss Katherine Wells. Vocal Solo, Miss Gertrude Wilson. Address and appointment of committees by League President. Song, Old Folks at Home.

During the remarks, etc., by the President she read the objects of the League, as follows:

To bring about a better understanding between parents and teachers, and a united effort in promoting the interests of our public schools.

She also read a few excerpts from the Aims and Purposes of the State Congress of Mothers, to further emphasize the work desired to be done: To raise the standards of home life.

To develop wise, better-trained parenthood.

To bring into closer relations the home and the school, that parent and teacher may co-operate intelligently in the education of the child.

To carry mother-love and mother-thought into all that concerns or touches childhood in home schools, church, state or legislature.

The work of the Congress is civic work in its broadest and highest sense, and every man or woman who is interested in the aims of the Congress is cordially invited to become a member and aid in the organized efforts for a higher, nobler national life, which can only be attained through the individual homes.

The Jamestown Exposition Company has offered to the congress of Mothers the two buildings to be known as "The Mothers' and Children's Buildings." These buildings are beautifully located in the Exposition grounds, facing the sea, and are to be thoroughly equipped so as to exploit the work of the congress in its great national movement for childhood.

These buildings will be a center of interest for all who are working along the lines of Child Care and Child Development. It is the first time in the history of our country that any exposition has set aside buildings solely devoted to the interest of the home and the child. It seems most fitting that the charge of such a center should be placed in the hands of a great national body like the Congress of Mothers, a body whose aim is to surround the childhood of the whole world with loving, wise care in the impressionable years of life that will develop good citizens, instead of lawbreakers and criminals; and whose purpose is to interest men and women to co-operate in the work for purer, truer homes, in the belief that to accomplish the best results men and women must work together.

A North Yakima, Washington dispatch in the Oregonian tells of the death of W. W. Phillips on his ranch near that place. He was formerly a resident of Myrtle Point and has two daughters living near that place, Mrs. Finley Hartley and Mrs. Robt. Parrish. It was as first supposed that Mr. Phillips had committed suicide, but now there are suspicions that he was murdered and the officers are making an investigation of the case. Two bullet holes through the head was the cause of his death, the shooting having occurred on the 8th.

The \$5,000.00 offer in cash prizes for articles on Portland, Oregon, and this part of the United States in newspapers printed outside of Oregon and Washington, is open to every citizen of Oregon, and it must not be forgotten there are eighty chances to win. This has been stated before but there seems to be a general misunderstanding about it, judging from letters received here.

### County Sunday School Convention.

The county Sunday school convention for Coos county, will be held in this city commencing at 10 o'clock a. m. Saturday, Sept. 21, and will close with a rally on Sunday afternoon, Sept. 22nd, at 2 o'clock.

The session on Saturday morning, afternoon and evening will be held in the Presbyterian church. The place for holding the Sunday afternoon meeting will be announced later. The following committees have been appointed to make the local arrangements and assist in the arrangements of the programme:

Committee on music, M. O. Hooton, Mrs. Fay Jones and W. C. Chase.

Committee on recitations, E. A. Howey, J. J. Lamb and Mrs. Clayton Goodman.

Committee on entertainment of delegates, Mrs. L. P. Maury, Mrs. Eva Barrow and J. J. Lamb.

Committee on reception, Dr. Wetmore, H. L. Ford and J. Quick.

Hon. C. R. Barrow, of this city, will make the address of welcome, and the response will be by Rev. Lacy, of North Bend.

Rev. Charles A. Phipps, of Portland, the state field worker, will be present and deliver several addresses on important subjects relative to successful Sunday school work.

The various committees selected are already to work, and the earnestness with which they are working indicates an interesting and successful convention.

This convention is undenominational and will be joined in by all of the Sunday schools of the county, and all are urged to attend these meetings.
