### The Mullins Boat and the Ferro Marine Engines

The W. H. Mullins Company of Salem, Ohio—widely known as the largest builders of small boats in the country—install Ferro Engines and no others. Before placing their order for the year they made very exhaustive tests of highest grade two-cycle engines made; the result was an initial order for 500 Ferro Engines—the largest single order ever placed. If such large engine buyers as the Mullins Co. stake their whole year's business on the Ferro after looking so carefully into all the engines made, certainly you ought to feel that this goes very far to prove that the Ferro Engine has in fact the superiority we claim for it.
