### Sets New York Tribune Right

Portland, Oregon, Dec. 23.—The Right Reverend Charles Scadding, Bishop of Oregon, is doing marvelous work through the east in presenting the resources of the Beaver state. Reports of his illustrated lectures came from various sections and the newspapers everywhere have given Oregon an immense amount of complimentary prominence as a result of the Bishop's work. His best efforts is a letter just printed in the New York Tribune and reads as follows:

"Sir: Having just seen a copy of your issue of Sunday, December 8th, containing an article on 'A Bishop With No Fixed Abode,' I desire to correct a false impression which some paragraphs may convey.

"You present a very spectacular picture of Mr. Paddock, the new Bishop of Eastern Oregon, but it is imaginary and based on ignorance of the conditions of which the new Bishop is to become a part. It is neither populated by foreign immigrants, who form the 'tenement problem' of our great cities, nor by cow boys who carry bowie knives in their teeth and six-shooters in their hip pockets. It is rapidly settling with sturdy, stalwart American citizens who have the courage to leave the East and Middle West and come to a state which has the greatest undeveloped resources in the Union.

"The rollicking, drinking Shoot-on-sight cowboy exists only in Bowery melodrama. His place has been taken very largely by the college graduate, who now works a ranch on scientific principles.

"The new Bishop will not be required to dress like a cowboy, but will need his evening clothes and most immaculate linen in his wardrobe, for he will find the men as well dressed and the women as well groomed as most of the men and women with whom he is accustomed to associate. The Bishop will find a far lower average of vice and sin and crime in his new diocese than in New York. Oregon stands third among the states for the small number of illiterate persons in the proportions to the population, while New York ranks forty third.

"Twenty thousand homeseekers came into Oregon during the past few months, for the most part a fine class of young people attracted by the equable and salubrious climate, the fertile soil and the fact that the profit this year on Oregon apples was \$600 an acre, on cherries \$500 an acre and on prunes \$200 an acre, and by many similar facts.

"The problem for the bishops and clergy of Oregon today is not that which is supposed to belong to a 'wild and woolly west, but the problem of trying to make the Christian religion and good citizenship keep pace with the remarkable commercial developments. I believe Oregon is today the strategic field for the Church and that now is the psychological moment to advance."

### Rank Foolishness.

"When attacked by a cough or a cold, or when your throat is sore, it is rank foolishness to take any other medicine than Dr. King's New Discovery," says C. O. Eldridge, of Empires, Ga. "I have used New Discovery seven years and I know it is the best remedy on earth for coughs and colds, croup, and all throat and lung troubles. My children are subject to croup, but New Discovery quickly cures every attack." Known the world over as the King of throat and lung remedies. Sold under guarantee at R. S. Knowlton's drug store 50c and \$1.00. Trial bottle free.

### Wilkinson-Baumgardner.

At high noon on Tuesday, the 24th ult., Marion L. Wilkinson and Nora M. Baumgardner were united in the holy bonds of matrimony. The very pretty ceremony took place in Riverton, at the home of the bride's parents, Mr. and Mrs. H. W. Baumgardner, Rev. J. Thomas of the Baptist church of this city, the officiating clergyman. Miss Nellie Moore acted as bride's maid and Mr. Earl Elliott acted as best man. The parlor was profusely and tastefully decorated with white and green predominating, a white railing basket hanging in the center. The bride was very attractive in white liberty satin with veil, the head prettily adorned with orange blossoms. The groom wore the conventional black. After the conclusion of the ceremony a sumptuous wedding dinner was served, and seated around the festive board were: Mr. and Mrs. Marion L. Wilkinson, Mr. and Mrs. H. W. Baumgardner, Mr. and Mrs. R. E. Richardson, Mrs. I. L. Baumgardner, M. and Mrs. Felix Hull, Rev. and Mrs. Thomas, Mr. Henry Ellis, Miss Jewell Baumgardner, Miss Nellie Moore, Mr. Earl Elliott, Master Clarence Baumgardner. The bride and groom were the recipients of many presents which were both beautiful and useful. The remaining afternoon hours were a season of royal good time enjoyed by every one, after which the guests departed to their several homes, and the happy young couple taking the evening boat for this city where they will make their home. Mrs. Wilkinson is well known here and Mr. Wilkinson has made many friends since he came here last spring. Their many acquaintances and friends, including the HERALD staff extend sincerest congratulations and the best of good wishes.

### Will Pension all Employees.

Portland, Maine, Dec. 24.—The Grand Trunk Railway has devised a system of pension that will go into effect January 1, which is believed to be the most comprehensive in existence. A fund of \$200,000 will be set aside and \$75,000 per year additional if necessary. Employees will not be required to contribute to the fund. There will be a clause compelling compulsory retirement at the age 65 years while any employee who has served the company fifteen years or more will be entitled to a pension on a graduated scale. The minimum pension will be \$200 per year while there is no maximum. There is a provision for employees disabled in service, also for men dismissed with cause under 65 years, but who have not served over fifteen years.

### How to Avoid Pneumonia

You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough and expels the cold from the system as it is mildly laxative. Refuse any but the genuine in the yellow package. E. J. Slocum.

Big assortment of ladies' skirts from \$1 to \$15 at J. W. Leneve's.

### 70 Years Without Need of Physician.

Chicago, December 24.—Robert G. Lucas, 71 years old, resigned his position in the office of the American Express company, ending a 45-year term of service for the company, in which time he has never missed a day's pay. For 70 years Mr. Lucas had no need of an attending physician. Less than a year ago he felt a decline in health and began treatment. His throat has become affected by smoking. Overwork also is credited for his general falling off in health.

Mr. Lucas began work for the American express company as an express messenger. He gives the following advice to those who would emulate his example:

"Good health is as great requisite of a good worker as good brains. I have observed that the men who get highest were those who were not complainers and who didn't watch the clock too closely.

"Young man, don't smoke to excess. If I had dropped smoking when I could, my bank account would be \$5000 larger today.

"Pass up the drinks! I've seen booze put more men out of jobs than hard times.

"A man should have eight hours sleep out of every 24. That does not mean four one night and 12 the next.

"Consult your wife and follow her advice. If she tells you to wrap up your throat with a red flannel rag soaked in kerosene, do it."

### An Insidious Danger

One of the worst features of kidney troubles is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. E. J. Slocum.

Today there are forty-five vessels in Portland's harbor, loading with the products of the Pacific Northwest, to supply the needs of every port of civilization.

Portland is particularly proud of the fact that she was first among the one hundred leading cities of the United States to pay every demand made upon her in coin, and from the first moment since the "lid was lifted" Monday, Dec. 16th, the amount of gold in each of the banks has constantly increased and now it is pouring in at the rate of \$100,000 a day.

1907 rings down the curtain during a rapidly disappearing uneasiness, with the people in a hesitating mood regarding immediate investments, but at the same time it has been the most wonderful year the Pacific Northwest ever enjoyed. In no other twelve months was there so much money brought into the country from the wheat crop; fruit scored its biggest success; lumber added many more millions of dollars than ever before; the same is true of the products of the dairy, while the grower of poultry has nothing to complain of. We are rich and prosperous, in spite of the fact that there appears to be a stringency, more a matter of mind than reality. Let us quit brooding imaginary troubles, inspire confidence and get ready to eclipse in 1908 our past year's record, wonderful as it has been.

### NOTE AND COMMENT.

One dry Sunday was enough for New York. Made it feel unnaturally respectable.

Woodrow Wilson says only ten per cent of the American people think. But a lot of them think they think.

Presidential booms are pretty thick around the country, just now; a year hence, everything will be over but the inauguration.

Speaking of an elastic currency, one way to make it elastic is to cease employing gambling bankers with an elastic conscience.

Some of these times, the freshman class in the U. S. Senate is going to outnumber the seniors and then it will pass some rules of its own.

Of course, if the duty on wood pulp is removed, immediately, the Republican editors will be willing to leave further tariff adjustment until after election.

Another one of Jefferson Davis' captors has just passed away in Minnesota. It is evident that practically an entire army corps, was in at Mr. Davis' round-up.

Mr. Taft had a nice long visit with Czar Nicholas and for once Russia's ruler had a chance to tell his troubles to some one who has a habit of exuding sympathy and good cheer.

"Bad company is responsible for the fix I am in," remarked a Calif. highwayman after his capture. It seems the police out there, are just as bad company as elsewhere in the country.

A traveling salesman says that orders for shoes from Kansas City are for longer sizes than from any city. Kansas City always did want her money's worth whether buying shoes or conventions.

### How to Avoid Appendicitis

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. E. J. Slocum.

## \$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80

Regular Price \$8.50 per pair. To introduce We Will Sell You a Sample Pair for Only \$4.80. NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire. Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year.

**DESCRIPTION:** Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of this, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented. We will allow a cash discount of 5 per cent (thereby making the price \$4.56 per pair) if you send FULL CASE WITH ORDERS and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination. We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer. **COASTER-BRAKES,** everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big SEVEN DAY catalogue. **DO NOT WAIT** for a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making.
