Owing to a break in the coal washing machine, the Beaver Hill coal mine has stopped operations for a few days until the break has been repaired, or until new machinery has taken its place. Superintendent Russell, who was in this city at the time, had a hurry call this morning to his mine, where he is inspecting the damage to the machine. The delay will not be lengthy and every effort will be made to complete repairs in order that the mine may resume operations as soon possible. The rainy weather has not effected the works in the least.

We have several desirable places for young ladies who wish to work for board and room while attending Business College. For full particulars, address, MILLER-CLEAVER BUSINESS COLLEGE North Bend Oregon.

## Young Men and Women.

Having gone through the early trials and hardships of getting an education in the pioneer ranch days of Coos County, I take this method of informing the ambitious and energetic young people throughout the county that we have here at North Bend one of the most thoroughly equipped, and up-to-date Business Colleges (The Miller-Cleaver School) that it has been my pleasure to visit.

Their teachers are from the Behnke-Walker Business College of Portland where they had charge of special work for years.

The classes are not so large as in older schools, therefore better results are obtained. The expense is not so great nor home so far away.

If you are desirous of procuring a business education there is no time like the present and no better place on earth than North Bend. Allow me to encourage any and all whose inclinations run in that direction. I know the importance of it—the advantage to be gained by it.

This letter is written to assist in the upbuilding of our own County and for the benefit of those who wish to better their conditions and enlarge their salaries.

In conclusion I beg you to come and investigate. The trip is short, it will do you good. Or, write to the Miller-Cleaver Business College, North Bend, Oregon.

Yours for education.

R. J. COKE.

### A Cure for Misery.

"I have found a cure for the misery malaria poison produces," says R. M. James, of Louellen, S. C. "It's called Electric Bitters, and comes in 50 cent bottles. It breaks up a case of chills or a bilious attack in almost no time; and it puts yellow jaundice clean out of commission." This great tonic medicine and blood purifier gives quick relief in all stomach, liver and kidney complaints and the misery of lame back. Sold under guarantee at R. S. R. S. Knowlton's drug store.

The People's Market always keeps fresh vegetables.

Anyone wishing house moving or other heavy work done can be accommodated by calling on H. L. Varney.

FOR SALE. Two nice garden lots with crop—some fruit—at west end of T bridge. Call on J. Snow at the place.

Get next and buy your groceries where it is a pleasure for the clerks to serve you and where your goods will be delivered in good shape. That place is Land & Lyons, Phone 28.

### It Does the Business.

Mr. E. E. Chamberlain, of Clinton, Maine, says of Bucklin's Arnica Salve. "It does the business; I have used it for piles and it cured them. Used it for chapped hands and it cured them. Applied it to an old sore and it healed it without leaving a scar behind." 25c. at R. S. Knowlton's drug store.
