The mayor of Topeka, Kansas, has declared that the three great necessities of life are milk, medicine and newspapers. And everybody ought to know "medicine" means in Kansas.

An Insidious Danger One of the worst features of kidney troubles is that it is an insidious disease and before the victim realizes his danger he may have a fatal malady. Take Foley's Kidney Cure at the first sign of trouble as it corrects irregularities and prevents Bright's disease and diabetes. E. J. Slocum.

A man has invited a writing paper that crumbles into dust within forty eight hours after ink has touched it. This is calculated to prevent a lot of trouble in the world. A rare opportunity is now presented to those who want advanced instruction on the piano. Mrs. D. W. Bourne, late of Chicago, who is making her home with Dr. Wetmore's family this winter, whose ad appears in this issue will take a class preferring those who are advanced. All who have heard her play have no hesitancy in pronouncing her an artist. Her recommendations could be no higher than Dr. Ziegfeld's Musical college of Chicago, of which she is a graduate.

How to Avoid Appendicitis Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. E. J. Slocum.

How to Avoid Pneumonia You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough and expels the cold from the system as it is mildly laxative. Refuse any but the genuine in the yellow package. E. J. Slocum.

We need a Rider Agent in every town and can offer an opportunity to make money to suitable young men who apply at once. \$8.50 PUNCTURE-PROOF TIRES ONLY \$4.80 PER PAIR. Regular Price \$8.50 per pair. To introduce we will sell you a sample pair for only \$4.80 per pair (cash with order \$5.50). NO MORE TROUBLE FROM PUNCTURES. Result of 15 years experience in tire making. No danger from THORNS, CACTUS, PINS, NAILS, TACKS or GLASS. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire. Two Hundred Thousand pairs now in actual use. Over Seventy-five Thousand pairs sold last year. DECEPTION: Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than ordinary tires, the puncture resisting qualities being given by several layers of this special prepared fabric on the tread. That "holding back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Waffle Weave" tread which prevents all air from being squeezed out between the tire and the road, thus overcoming all such difficulties. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the retailer of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. We will allow a cash discount of 5 per cent (thereby making the price \$4.56 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). First to be returned at OUR expense if for any reason they are not satisfactory on examination. We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Dealer, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be well pleased that when you want a bicycle you will give us your order. We would like to send us a small trial order at once, hence this remarkable tire offer.
