A horrible accident occurred at a Bay Park Addition last Wednesday. It seems that Russel Bronson was clearing his lots and his wife and baby girl went out to see him. While they were talking together a tree, which was on fire, fell on them, fracturing Mr. Bronson's skull and instantly killing the child in its mother's arms. Mrs. Bronson fortunately escaped with slight injury. At last accounts, Mr. Bronson is reported as improving, and chances are now favorable for his recovery.—Marshfield News.

Prof. H. A. Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Havana, Cuba. "On the night of February 3rd our baby was taken sick with a very severe cold, the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now, three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy and that only, saved the life of our dear little boy." For sale by R. S. Knowlton.
