2542 E A Beckett vs John F Hall County Judge E A Anderson writ of Review A J Sherwood, E D Sperry for plff.

Murder and Suicide.

Last Wednesday night near the hour of midnight, John Grills, of Marshfield, shot his sweetheart, Miss Dolly Roby, causing immediate death, and then sent a bullet through his own heart. "As a cause for the tragedy we give the following letter found on the body of Grills which is self explanatory:

"Well, Manma, I had to do it, and I meant it. You mustn't take it too hard for I couldn't help it. She just drove me to it. She will not bother anybody else. There isn't much to do in town. I know I have been a bad boy but it is all over now. She has received her reward. I could not live and see anybody else have her. I know I am crazy but I cannot help it. I never was any good and I would be worse in the future. Give my love to all the girls and tell them why I done it. She promised me and then she tried to shake me but she couldn't. If I can't have her, nobody else will. Tell Bill to get that bill from Fred and add \$6.00 to it for Cecil Holland. But find out what he wants first and then add \$1.00 for the Pioneer Hardware Store. Pay Bear 75 cents for hauling the boat. Then add what he thinks it is worth and give it to Dock. Goodbye, JOHN.

NOTICE.

All persons holding warrants against School District No. 8, Coos county, Oregon, are hereby notified to present them at my place of business in Coquille, for payment. No interest will be allowed on any warrants after May 1, 1908.

Dated at the Court House in the City of Coquille, Coos County, Oregon, this 13th day of April, 1908.

JAMES WATSON, County Clerk.

NOTICE TO CONTRACTORS.

Notice is hereby given that the Fat Elk Drainage District will receive sealed bids for the construction of a drainage system in said district, in Coos County, Oregon, which will include the following: One main canal 33 feet wide, 8712 feet long. One ditch, 14 feet wide, 6000 feet long. Ditches 2240 feet long, 8 feet wide. Ditches 6029 feet long, 4 feet wide. Containing in all of said ditches, approximately, 169,000 cubic yards.

The right of way of all ditches to be cleared three times the width of the ditch.

The width of all ditches is taken at the bottom, and are to be excavated to the level of extreme low tide, and having side slopes of 45°.

The average depth of ditches has been estimated at approximately, 5 to 6 feet.

All ditches to be dug along the lines and at the places indicated by the plans, map and survey of said drainage system now on file in the office of the County Clerk of Coos County, Oregon.

Bids will be considered for the complete system or any portion thereof.

Any and all successful bidders will be required to enter into written contracts and give bonds with good and sufficient sureties for the faithful performance of their contracts.

All bids to be forwarded in sealed envelopes to J. W. Mast, secretary of Fat Elk Drainage District, Bandon, Coos County, Oregon, by April
