## PROPOSED AMENDMENTS

We give below a concise statement of the measures and amendments referred to the people by the last legislature, and which are to be voted upon at the general election to be held in June. These statements as they will appear on the tickets are as follows.

**REFERRED TO THE PEOPLE BY THE LEGISLATIVE ASSEMBLY.**  
For an amendment of Section 23 (evidently intended to be Section 29) of Article IV of the Constitution, changing the compensation of members of the Legislature to \$400 for each regular session and \$10 per day for each extra session instead of \$3 per day and mileage. (Section 23 provides the time when laws take effect, and the proposed amendment is, therefore, wrongly numbered.) Vote YES or NO.

**REFERRED TO THE PEOPLE BY THE LEGISLATIVE ASSEMBLY.**  
For an amendment of Section 3 of Article XIV of the Constitution, to permit the location of State institutions elsewhere than at the seat of government by act of the Legislature and vote of the people. Vote YES or NO.

**REFERRED TO THE PEOPLE BY THE LEGISLATIVE ASSEMBLY.**  
An amendment to Article VII of the Constitution by increasing the number of judges of the Supreme Court from three to five, until otherwise provided by law, and authorizing the Legislative Assembly to provide by appropriate legislation for the exercise by the circuit courts, of the probate jurisdiction theretofore exercised by the county courts, and for the transaction of county business by and before some appropriate body or tribunal. Vote YES or NO.

**REFERRED TO THE PEOPLE BY THE LEGISLATIVE ASSEMBLY.**  
For amendment of Section 14 of Article II of the Constitution, changing the time of holding the regular general biennial elections from the first Monday in June to the first Tuesday after the first Monday in November. Vote YES or NO.

**REFERENDUM ORDERED BY PETITION OF THE PEOPLE.**  
An act providing that in all counties, the sheriff shall have the custody of prisoners committed to or confined in the county jail and such prisoners shall be worked at such places and for such time and in such manner as the county court may direct, and that, in counties of over one hundred thousand inhabitants, the salaries of guards and jailers shall not exceed \$90.00 per month, and the price of meals furnished prisoners shall be 12 1/2c each. Vote YES or NO.

**REFERENDUM ORDERED BY PETITION OF THE PEOPLE.**  
For an act requiring railroads and other common carriers to grant free transportation to State officers and county judges and sheriffs, as a condition precedent to acquiring land for corporate purposes by the exercise of eminent domain, and to prohibit the payment of mileage for such free transportation.

**REFERENDUM ORDERED BY PETITION OF THE PEOPLE.**  
An act to appropriate twenty-five thousand dollars annually for four years, to be used in purchasing grounds and building armories for the use of the Oregon National Guard, the money to be expended under the supervision of the State Military Board at any time during the four years, the board not being required to use each appropriation the year it is appropriated. The Oregon National Guard is required to pay to the State Treasurer such rental, for the use of said armories, as may be fixed by the State Military Board.

**REFERENDUM ORDERED BY PETITION OF THE PEOPLE.**  
An act to amend Section 3529 of Bellingier and Cotton's Annotated Codes and Statute of Oregon by increasing the annual appropriation for the support and maintenance of the University of Oregon. Vote YES or NO.

Vote YES or NO.

**PROPOSED BY INITIATIVE PETITION.**  
For constitutional amendment, giving additional and exclusive power to cities and towns, within their corporate limits, to license, regulate, control, and tax, or to suppress or prohibit theaters, race-tracks, pool-rooms, bowling alleys, billiard halls, and the sale of liquors, subject to the provisions of the local option law of the State of Oregon. Vote YES or NO.

**PROPOSED BY INITIATIVE PETITION.**  
For constitutional amendment providing that all dwelling houses, barns, sheds, out houses, and all other appurtenances thereto; all machinery and buildings used exclusively for manufacturing purposes and appurtenances thereto; all fences, farm machinery, and appliances used as such; all fruit trees, vines, shrubs, and all other improvements on farms; all live stock; all household furniture in use; and all tools owned by workmen and in use, shall be exempt from taxation in addition to exemptions now authorized by the Constitution. Vote YES or NO.

Portland, Or., April 20—"Does it pay to have a landlord?" That world old question of economy is being asked by Oregon National Guardsmen all over the state. Answer that question, they say, and you have expressed your views on the Army bill, which is to be voted on at the June election.

"Under the present arrangement, the state is in the position of a man who has another's roof over his head, as far as armories are concerned," said Adjutant General W. E. Ginzler in an interview today on the subject of the Army bill. "The State not only suffers the inconvenience of being a tenant but is paying out thousands of dollars in rents that should be going to the construction of permanent State armories."

"Leaving aside the patriotic motives, which should cause every voter to lend all support possible to the National Guard, now a part of the first line of National defense, the economic aspect of the bill should serve to carry it at the June election. At the present time Oregon has rented armories in 12 cities in side Portland. These armories are not suitable for the purpose to which they are put and yet they cost the State \$5000 per year.

"The Army bill sets aside \$25, 000 per year for four years for the building of permanent armories. Thus the total appropriation is \$100, 000. It doesn't take much figuring to show that in a few years the state would be ahead on the deal, and that the Army bill, aside from providing a necessity, makes the way for a good investment."
