Kennedy's Laxative Cough Syrup—the cough syrup that tastes nearly as good as maple sugar and which children like so well to take. Unlike nearly all other cough remedies, it does not constipate, but on the other hand it acts promptly yet gently on the bowels, through which the cold is forced out of the system, and at the same time it allays inflammation. Always use Kennedy's Laxative Cough Syrup. Sold by Knowlton's Drug Store.

S. M. Nosler and A. T. Morrison of the Coquille Steam Laundry, have decided to operate an ice plant in connection with their laundry and are rushing the work as rapidly as they can. By the time the warm weathers is upon us those gentlemen will have their new plant in operation and will be able to furnish ice for this valley in abundance.

To have perfect health we must have perfect digestion, and it is very important not to permit of any delay the moment the stomach feels out of order. There is nothing better than Kodol for dyspepsia, indigestion, sour stomach, belching of gas and nervous headache. Kodol is a natural digestant, and will digest what you eat. Chamberlain has the Preference.

Mr. Fred. C. Hanrahan, a prominent druggist of Portsmouth, Va., says: "For the past six years I have sold and recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is a great remedy and one of the best patent medicines on the market. I handle some others for the same purposes that pay me a larger profit, but this remedy is so sure to effect a cure, and my customer so certain to appreciate my recommending it to him, that I give it the preference." "One Touch of Nature Makes the Whole World Kin."

When a rooster finds a big fat worm he calls all the hens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm-hearted wish of the writer to be of use to someone else. This remedy for sale by R. S. Knowlton.
