A great many people imagine they have heart trouble when the fact is that the whole trouble lies in the stomach. The pains in the side around the region of the heart are not necessarily heart trouble. We suggest that you start with the stomach and whenever you feel a depression after eating or whenever your food seems to nauseate take Kodol. It will not be very long until all these "heart pains" will disappear. Take Kodol now and until you know you are right again. There isn't any doubt about what it will do and you will find the truth of this statement verified after you have used Kodol for a few weeks. It is sold here by R. S. Knowlton.

The Most Common Cause of Suffering.
Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Pain Balm will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cents sizes for sale by R. S. Knowlton.
