

Coquille Herald.

WEDNESDAY, JUNE 17, 1908.

A catch letter has been sent to all the physicians of the United States and to private individuals, to obtain subscriptions for a magazine called "American Health." The payment of a \$1 subscription to the magazine makes the subscriber a member of the "Local Advisory Committee of the American Health League" for the locality in which the subscriber lives. Some physicians to obtain a little notoriety use every means to get their names before the public, and in this particular instance it would be just as rational for one of the local papers to solicit subscriptions and appoint the subscribers to some fictitious society.

The people of Coos county should beware of fake piano tuners traveling about the country, claiming to have represented prominent piano houses for years. Work has been done in Coquille which is a disgrace to the art, and anyone imposing upon the people should be prosecuted. W. H. Mansell of this city has had some experience along this line.

The mails between this city and Roseburg started on the summer schedule yesterday, the 16th inst. The mail now leaves here for Roseburg at 6 a. m., and for Bandon one hour later. In getting your correspondence ready for posting you should keep this in mind. This will maintain till October 16th.

Hon. W. K. Newell, of Gaston, Oregon, was in town for a short time one day last week, but owing to scarcity of time he and Mr. Corson were obliged to cancel their date for speaking to the fruit growers at Coquille. They spoke at Marshfield and Myrtle Point.

Ostrander-Ryckman.

Another little boat was launched on the matrimonial sea last Monday evening at the home of Mr. and Mrs. G. E. Peoples of Coquille when Ervina C. Ostrander of this city and Miss Myrtle Ryckman recently of Tomahawk, Wisconsin, were united in marriage. Rev. W. S. Gordon pastor of the M. E. church officiating.

Mr. Peoples gave the bride away, Miss Florence Synott, a Wisconsin friend of the bride acted as bridesmaid while the groom was attended by Alva Custer.

The bride looked pretty in her white voile costume, while the groom maintained his dignity in the conventional black, and the arch was lovely with evergreen and roses.

A few intimate friends were present and enjoyed the dainty refreshments and music which followed the ceremony.

The usual shower of rice helped express the good wishes of their friends who will be glad to know Mr. and Mrs. Ostrander will make their home for the present in the residence of Mrs. Figg.

Coquille Wins.

The local fans had the first opportunity of seeing their team play ball last Sunday against Bandon.

The game was exciting and interesting and the best of feeling prevailed among the two teams.

The local boys had not forgotten the beating Hohn gave them a week ago at Bandon and so they started in to drive him out of the game from the start.

Collier pitched a steady game considering the poor support he was given at times. "Mickey" Nevins did not arrive in time to play so John Benham covered second, doing well considering that he hasn't practiced. Paul in center carrying off the fielding honors. Coquille plays North Bend next Sunday on the local grounds.

Following is the summary of the game:

Coquille: Runs 7; base hits, 8; two base hits, 1; times at bat 33; hit by pitched ball 1; bases on balls off Hohn 4; struck out by Collier, 7; wild throws, 2; left on bases, 6; errors 7.

Bandon: Runs 4; base hits 4; stolen bases 2; two base hits 2; times at bat, 32; bases on balls off Collier 4; struck out by Hohn, 6; wild throws, 3; left on bases, 4; errors 8. Time of game 2 hours. Umpire, Burnside.

Brown's Decision on Sunday Violations

Roseburg, Ore., June 13.—Three complaints of alleged violation of the Sunday "Blue Law" were registered with District Attorney Brown. Two were baseball and the other fishing. District Attorney Brown informed the complaints that baseball playing was not affected by the law unless admission was charged, and that fishing was as far from the pale of the law as anything could be. The complaint as to fishing was made by a party recently from the east, where such sport as well as hunting is strictly prohibited under the law.

No Need of Suffering from Rheumatism

It is a mistake to allow rheumatism to become chronic, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Pain Balm. The relief from pain it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. 25 and 50 cent sizes for sale by R. S. Knowlton.

Margaret Iles and Company played last night to the largest audience they have had since they opened their week's engagement in Marshfield and made a greater hit than ever. The bill was "The Rose of the Ranch" and resembled Blanche Bate's "The Girl of the Golden West." Miss Iles and the other members of the company were enthusiastically applauded frequently. The company is declared to be the best that has ever appeared on Coos Bay.—Coos Bay Times. The Margaret Iles Company will open a week's engagement in Coquille commencing next Monday night and it will no doubt be the best thing that has been given in town this year as they are making a hit every where they show.
